Item 1.01 Entry into a Material Definitive Agreement.

Issuance and Sale of 4.5% Series A Convertible Preferred Stock

As previously reported on the Current Report on Form 8-K filed on November 19, 2020 by FireEye, Inc., a Delaware corporation (the “**Company**”), the Company entered into: (i) a Securities Purchase Agreement with Blackstone Delta Holdings DE L.P. (formerly known as BTO Delta Holdings DE L.P.), an investment vehicle of funds affiliated with The Blackstone Group Inc. (“**Blackstone**”), and (ii) a Securities Purchase Agreement with ClearSky Security Fund I LLC and ClearSky Power & Technology Fund II LLC (collectively, “**ClearSky**” and together with Blackstone, the “**Purchasers**”), in connection with the issuance and sale (the “**Private Placement**”) of an aggregate of 400,000 shares of a newly designated 4.5% Series A Convertible Preferred Stock, par value \$0.0001 per share (the “**Series A Preferred Stock**”), at a price of \$1,000 per share, for an aggregate purchase price of \$400,000,000 (each a “**Financing Agreement**” and together the “**Financing Agreements**”).

On December 11, 2020, the Company entered into an Amendment to each of the Financing Agreements with Blackstone and ClearSky, respectively (the “**Financing Agreement Amendments**”), to change the conversion price for the Series A Preferred Stock set forth in the Certificate of Designations (as defined below) to \$17.25 per share, subject to certain customary adjustments in the event of certain adjustments to the Common Stock.

The foregoing summary of the Financing Agreement Amendments does not purport to be complete and is subject to, and qualified in its entirety by, the full text of the Financing Agreement Amendments, which are attached hereto as Exhibits 10.1 and 10.2, and are incorporated by reference.

On December 11, 2020, the parties completed the Private Placement (the “**Closing Date**”).

Certificate of Designations

Each share of Series A Preferred Stock has the powers, designations, preferences, and other rights of the shares of such series as are set forth in the Certificate of Designations of the Series A Preferred Stock filed by the Company with the Secretary of State of the State of Delaware on December 11, 2020 (the “**Certificate of Designations**”).

The Series A Preferred Stock ranks senior to the Company’s common stock, par value \$0.0001 per share (“**Common Stock**”) with respect to dividend rights and rights upon the voluntary or involuntary liquidation, dissolution, or winding up of the affairs of the Company (a “**Liquidation**”).

Upon a Liquidation, each share of Series A Preferred Stock is entitled to receive an amount per share equal to the greater of (i) the purchase price paid by the Purchaser, plus all accrued and unpaid dividends and (ii) the amount that the holder of Series A Preferred Stock (each, a “**Holder**” and collectively, the “**Holder**s”) would have been entitled to receive at such time if the Series A Preferred Stock were converted into Common Stock (the “**Liquidation Preference**”). The initial purchase price of the Series A Preferred Stock is \$1,000 per share (the “**Original Purchase Price**”). The Holders are entitled to dividends on the Original Purchase Price paid by the Purchaser at the rate of 4.5% per annum that (i) for the first three years after the Closing Date will be paid in-kind, and (ii) after the third anniversary of the Closing Date, will, at the Company’s election either be paid in cash, or, if not, will accrue and accumulate, in each case, accruing daily and paid quarterly in arrears. The Holders are also entitled to participate in dividends declared or paid on the Common Stock on an as-converted basis.

Conversion Rights

The Holder has the right, at its option, to convert its Series A Preferred Stock, in whole or in part, into fully paid and non-assessable shares of Common Stock at a conversion price equal to \$17.25 per share subject to certain customary adjustments in the event of certain adjustments to the Common Stock. After the third anniversary of the Closing Date, subject to certain conditions, the Company may, at its option, require conversion of all of the outstanding shares of Series A Preferred Stock to Common Stock if, for at least 20 trading days during the 30 consecutive trading days immediately preceding the date the Company notifies the Holders of the election to convert, the closing price of the Common Stock is at least 175% of the conversion price.

Redemption Rights

After the seventh anniversary of the Closing Date, each Holder shall have the right to require the Company to redeem all or any part of the Holder’s Series A Preferred Stock for cash at a price equal to the Original Purchase Price paid by the Purchaser plus any accrued and unpaid dividends. Upon a “**Fundamental Change**” (involving a change of control, bankruptcy, insolvency, liquidation or de-listing of the Company as further described in the Certificate of Designations), each Holder shall have the right to require the Company to redeem all or any part of the Holder’s Series A Preferred Stock for an amount equal to the Liquidation Preference at a repurchase price calculated in accordance with the Certificate of Designations plus any accrued and unpaid dividends.

Voting & Consent Rights

The Holders are generally entitled to vote with the holders of the shares of Common Stock on all matters submitted for a vote of holders of shares of Common Stock (voting together with the holders of shares of Common Stock as one class) on an as-converted basis, subject to certain Nasdaq voting limitations, if applicable.

Additionally, the consent of the Holders of a majority of the outstanding shares of Series A Preferred Stock is required for so long as any shares of the Series A Preferred Stock remain outstanding for (i) amendments to the Company's organizational documents that have an adverse effect on the holders of Series A Preferred Stock and (ii) issuances by the Company of securities that are senior to, or equal in priority with, the Series A Preferred Stock. In addition, for so long as 25% of the Series A Preferred Stock issued in connection with the Financing Agreements remains outstanding, consent of the Holders of a majority of the outstanding shares of Series A Preferred Stock is required for (i) any change to the size of the Board of Directors of the Company (the "**Board**"), (ii) any voluntary dissolution, liquidation, bankruptcy, winding up or deregistration or delisting and (iii) incurrence by the Company of net debt in excess of \$350,000,000.

Governance Rights

As previously reported on the Current Report on Form 8-K filed on November 19, 2020 by the Company, for so long as Blackstone holds 65% of the Series A Preferred Stock issued to it under the Financing Agreement, Blackstone has the right to nominate for election one member to the Board, provided that Blackstone's initial nominee will be appointed to the Board at the Closing Date as a Class I director and will not be entitled to any compensation from the Company for his service. Blackstone has appointed Viral Patel as its initial nominee as further discussed under the heading "Appointment of New Directors."

Under the Financing Agreements, for so long as Blackstone has the right to nominate a director for election to the Board or ClearSky has the right to appoint a non-voting observer to the Board (as described below) (as applicable), such Purchaser has agreed to vote all of its shares of Series A Preferred Stock and shares of Common Stock issuable upon conversion of the Series A Preferred Stock purchased pursuant to the Private Placement or any other shares of Common Stock owned by such Purchaser (i) in favor of the Company's "say-on-pay" proposal and any proposal by the Company relating to equity compensation that has been approved by the Board or the Compensation Committee of the Board (or any successor committee, however denominated), (ii) in favor of the Company's proposal for ratification of the appointment of the Company's independent registered public accounting firm and (iii) amendments to organizational documents in a manner that does not have an adverse effect on the holders of Series A Preferred Stock to increase the authorized shares of capital stock.

For so long as ClearSky holds 65% of the Series A Preferred Stock issued to it under the Financing Agreement, ClearSky is entitled to designate one non-voting observer to the Board.

Standstill

Additionally, until the latter of (i) the date (x) Blackstone no longer has the right to designate or nominate a director to the Board or (y) ClearSky is no longer entitled to designate one non-voting observer to the Board (as applicable) or (ii) the first anniversary of the Closing Date, such Purchaser is subject to certain standstill restrictions pursuant to which such Purchaser will be restricted, among other things and subject to certain customary exceptions, from (i) acquiring more than 5% of the Company's outstanding Common Stock or securities exchangeable for or convertible into the Common Stock (excluding for these purposes, shares of Common Stock issued or issuable upon conversion of the Series A Preferred Stock); (ii) making, participating in or encouraging any proxy solicitation; (iii) seeking representation on the Board (beyond the representation provided for above); (iv) seeking to publicly change or influence the policies or management of the Company (beyond their right to do so based on their representation on the Board); (v) submitting any shareholder proposal to the Company; and (vi) publicly proposing any change of control or other material transaction involving the Company; or supporting or encouraging any person in doing any of the foregoing.

Registration Rights Agreements

On December 11, 2020, the Company entered into (i) a Registration Rights Agreement with Blackstone Delta Holdings DE L.P. (the "**Blackstone Registration Rights Agreement**"), and (ii) a Registration Rights Agreement with ClearSky (the "**Clearsky Registration Rights Agreement**") and, together with the Blackstone Registration Rights Agreement, the "**Registration Rights Agreements**"), each dated as of the Closing Date. Pursuant to the Registration Rights Agreement, the holders of shares of Series A Preferred Stock and Common Stock issued upon conversion of Series A Preferred Stock will have certain customary registration rights with respect to such shares of Series A Preferred Stock and Common Stock issuable upon conversion of Series A Preferred Stock.

The foregoing descriptions of the Certificate of Designations and the Registration Rights Agreements do not purport to be complete and are subject to, and qualified in its entirety by, the full text of the Certificate of Designations and the Registration Rights Agreements, which are attached hereto as Exhibits 3.1, 10.3 and 10.4, respectively, and are incorporated herein by reference.

Item 3.02 Unregistered Sale of Equity Securities.

The information under Item 1.01 is incorporated herein by reference.

As described in Item 1.01, on the Closing Date, the Company issued 400,000 shares of a newly designated 4.5% Series A Convertible Preferred Stock, par value \$0.0001 per share, at a price of \$1,000 per share for \$400,000,000. The Company offered and sold the shares of Series A Preferred Stock to the Purchasers in reliance on the exemption from registration provided by Section 4(a)(2) of the Securities Act of 1933, as amended. The Company will rely on this exemption from registration based in part on representations made by Purchasers in the applicable Financing Agreements.

Item 3.03 Material Modification to Rights of Security Holders.

The information under Item 1.01 is incorporated herein by reference.

Item 5.02 Election of Directors.

Appointment of New Directors

On December 11, 2020, the Board appointed Viral Patel to serve as a member of the Board, effective as of the Closing Date. Mr. Patel will serve in the class of directors whose term expires at the annual meeting of stockholders to be held in 2023. In addition, Mr. Patel was appointed as a member of a special committee of the Board formed by the Board pursuant to the Financing Agreements (the “**Special Committee**”), effective as of the Closing Date. Other than as described in Item 1.01, there are no arrangements or understandings between Mr. Patel, on the one hand, and the Company or any other persons, on the other hand, pursuant to which Mr. Patel was selected as a director.

On December 11, 2020, the Board appointed Arthur W. Coviello, Jr. to serve as a member of the Board, effective December 11, 2020. Mr. Coviello will serve in the class of directors whose term expires at the annual meeting of stockholders to be held in 2023. In addition, Mr. Coviello was appointed as a member of the Special Committee, effective December 11, 2020. There are no arrangements or understandings between Mr. Coviello, on the one hand, and the Company or any other persons, on the other hand, pursuant to which Mr. Coviello was selected as a director.

In accordance with the Company’s Outside Director Compensation Policy, as amended (the “Outside Director Compensation Policy”), Mr. Coviello will be granted a restricted stock unit award on December 11, 2020 with a total value of \$400,000 (as calculated pursuant to the terms of the Outside Director Compensation Policy). The award will vest over three years, with one-third (1/3rd) of the restricted stock units subject to the award vesting on each anniversary of the date of grant, in each case subject to Mr. Coviello continuing to serve on the Board through the applicable vesting date. The restricted stock units are subject to the terms and conditions of the Company’s 2013 Equity Incentive Plan and the related restricted stock unit award agreement. Furthermore, Mr. Coviello is entitled to receive annual fees in accordance with the terms and conditions of the Outside Director Compensation Policy. The Company will also reimburse Mr. Coviello for reasonable expenses in connection with his services to the Company and attendance of Board and committee meetings in accordance with the Company’s established policies. A copy of the offer letter between Mr. Coviello and the Company is attached as Exhibit 10.5 to this Current Report on Form 8-K.

In addition, Messrs. Patel and Coviello have executed the Company’s standard form of indemnification agreement, a copy of which has been filed as Exhibit 10.1 to the Company’s Registration Statement on Form S-1 filed with the Securities and Exchange Commission on August 2, 2013.

(ii) *Transfers and Exchanges of Convertible Preferred Stock.*

(1) Subject to this **Section 3(h)**, a Holder of any Convertible Preferred Stock evidenced by a Certificate may (x) transfer any whole number of shares of such Convertible Preferred Stock to one or more other Person(s); and (y) exchange any whole number of shares of such Convertible Preferred Stock for an equal number of shares of Convertible Preferred Stock evidenced by one or more other Certificates; *provided, however*, that, to effect any such transfer or exchange, such Holder must, if such Certificate is a Physical Certificate, surrender such Physical Certificate to the office of the Transfer Agent or the Registrar, together with any endorsements or transfer instruments reasonably required by the Company, the Transfer Agent or the Registrar.

(2) Upon the satisfaction of the requirements of this Certificate of Designations to effect a transfer or exchange of any whole number of shares of a Holder's Convertible Preferred Stock evidenced by a Certificate (such Certificate being referred to as the "old Certificate" for purposes of this **Section 3(h)(ii)(2)**):

(A) such old Certificate will be promptly cancelled pursuant to **Section 3(m)**;

(B) if fewer than all of the shares of Convertible Preferred Stock evidenced by such old Certificate are to be so transferred or exchanged, then the Company will issue, execute and deliver, and cause the Transfer Agent to countersign, in each case, in accordance with **Section 3(d)**, one or more Certificates that (x) each evidence a whole number of shares of Convertible Preferred Stock and, in the aggregate, evidence a total number of shares of Convertible Preferred Stock equal to the number of shares of Convertible Preferred Stock evidenced by such old Certificate not to be so transferred or exchanged; (y) are registered in the name of such Holder; and (z) bear each legend, if any, required by **Section 3(g)**;

(C) in the case of a transfer to a transferee, the Company will issue, execute and deliver, and cause the Transfer Agent to countersign, in each case, in accordance with **Section 3(d)**, one or more Certificates that (x) each evidence a whole number of shares of Convertible Preferred Stock and, in the aggregate, evidence a total number of shares of Convertible Preferred Stock equal to the number of shares of Convertible Preferred Stock to be so transferred; (y) are registered in the name of such transferee; and (z) bear each legend, if any, required by **Section 3(g)**; and

(D) in the case of an exchange, the Company will issue, execute and deliver, and cause the Transfer Agent to countersign, in each case, in accordance with **Section 3(d)**, one or more Certificates that (x) each evidence a whole number of shares of Convertible Preferred Stock and, in the aggregate, evidence a total number of shares of Convertible Preferred Stock equal to the number of shares of Convertible Preferred Stock to be so exchanged; (y) are registered in the name of the Person to whom such old Certificate was registered; and (z) bear each legend, if any, required by **Section 3(g)**.

(iii) *Transfers of Shares Subject to Redemption, Repurchase or Conversion.* Notwithstanding anything to the contrary in this Certificate of Designations, the Company, the Transfer Agent and the Registrar will not be required to register the transfer of or exchange any share of Convertible Preferred Stock that has been called for Redemption, subject to a Repurchase upon Fundamental Change or surrendered for conversion.

(i) *Exchange and Cancellation of Convertible Preferred Stock to Be Converted or to Be Repurchased Pursuant to a Repurchase Upon Fundamental Change or a Redemption.*

(i) *Partial Conversions of Physical Certificates and Partial Repurchases of Physical Certificates Pursuant to a Repurchase Upon Fundamental Change or a Redemption.* If fewer than all of the shares of Convertible Preferred Stock evidenced by a Physical Certificate (such Physical Certificate being referred to as the “old Physical Certificate” for purposes of this **Section 3(i)(i)**) are to be converted pursuant to **Section 10** or repurchased pursuant to a Repurchase Upon Fundamental Change or a Redemption, then, as soon as reasonably practicable after such Physical Certificate is surrendered for such conversion or repurchase, as applicable, the Company will cause such Physical Certificate to be exchanged, pursuant and subject to **Section 3(h)**, for (1) one or more Physical Certificates that each evidence a whole number of shares of Convertible Preferred Stock and, in the aggregate, evidence a total number of shares of Convertible Preferred Stock equal to the number of shares of Convertible Preferred Stock evidenced by such old Physical Certificate that are not to be so converted or repurchased, as applicable, and deliver such Physical Certificate(s) to such Holder; and (2) a Physical Certificate evidencing a whole number of shares of Convertible Preferred Stock equal to the number of shares of Convertible Preferred Stock evidenced by such old Physical Certificate that are to be so converted or repurchased, as applicable, which Physical Certificate will be converted or repurchased, as applicable, pursuant to the terms of this Certificate of Designations; *provided, however*, that the Physical Certificate referred to in this **clause (2)** need not be issued at any time after which such shares subject to such conversion or repurchase, as applicable, are deemed to cease to be outstanding pursuant to **Section 3(o)**.

(ii) *Cancellation of Convertible Preferred Stock that Is Converted and Convertible Preferred Stock that Is Repurchased Pursuant to a Repurchase Upon Fundamental Change or a Redemption.* If shares of Convertible Preferred Stock evidenced by a Certificate (or any portion thereof that has not theretofore been exchanged pursuant to **Section 3(i)(i)**) (such Certificate being referred to as the “old Certificate” for purposes of this **Section 3(i)(ii)**) are to be converted pursuant to **Section 10** or repurchased pursuant to a Repurchase Upon Fundamental Change or a Redemption, then, promptly after the later of the time such Convertible Preferred Stock is deemed to cease to be outstanding pursuant to **Section 3(o)** and the time such old Certificate is surrendered for such conversion or repurchase, as applicable, (1) such old Certificate will be cancelled pursuant to **Section 3(m)**; and (2) in the case of a partial conversion or repurchase, the Company will issue, execute and deliver to such Holder, and cause the Transfer Agent to countersign, in each case, in accordance with **Section 3(d)**, one or more Certificates that (x) each evidence a whole number of shares of Convertible Preferred Stock and, in the aggregate, evidence a

total number of shares of Convertible Preferred Stock equal to the number of shares of Convertible Preferred Stock evidenced by such old Certificate that are not to be so converted or repurchased, as applicable; (y) are registered in the name of such Holder; and (z) bear each legend, if any, required by **Section 3(g)**.

(j) *Status of Retired or Treasury Shares.* Upon any share of Convertible Preferred Stock ceasing to be outstanding, such share will be deemed, automatically and without any further action of the Board of Directors, to be retired and to resume the status of an authorized and unissued share of preferred stock of the Company, and such share cannot thereafter be reissued as Convertible Preferred Stock.

(k) *Replacement Certificates.* If a Holder of any Convertible Preferred Stock claims that the Certificate(s) evidencing such Convertible Preferred Stock have been mutilated, lost, destroyed or wrongfully taken, then the Company will issue, execute and deliver, and cause the Transfer Agent to countersign, in each case, in accordance with **Section 3(c)**, a replacement Certificate evidencing such Convertible Preferred Stock upon surrender to the Company or the Transfer Agent of such mutilated Certificate, or upon delivery to the Company or the Transfer Agent of evidence of such loss, destruction or wrongful taking reasonably satisfactory to the Transfer Agent and the Company. In the case of a lost, destroyed or wrongfully taken Certificate evidencing Convertible Preferred Stock, the Company and the Transfer Agent may require the Holder thereof to provide such security or indemnity that is reasonably satisfactory to the Company and the Transfer Agent to protect the Company and the Transfer Agent from any loss that any of them may suffer if such Certificate is replaced. Every replacement Certificate evidencing Convertible Preferred Stock issued pursuant to this **Section 3(j)** will, upon such replacement, be deemed to be evidence of outstanding Convertible Preferred Stock, entitled to all of the benefits of this Certificate of Designations equally and ratably with all other Convertible Preferred Stock then outstanding.

(l) *Registered Holders.* Only the Holder of any share of Convertible Preferred Stock will have rights under this Certificate of Designations as the owner of such share of Convertible Preferred Stock.

(m) *Cancellation.* The Company may at any time deliver Certificates evidencing Convertible Preferred Stock, if any, to the Transfer Agent for cancellation. The Registrar, the Paying Agent and the Conversion Agent will forward to the Transfer Agent each share of Convertible Preferred Stock duly surrendered to them for transfer, exchange, payment or conversion. The Company will cause the Transfer Agent to promptly cancel all Certificates evidencing shares of Convertible Preferred Stock so surrendered to it in accordance with its customary procedures.

(n) *Shares Held by the Company or its Subsidiaries.* Without limiting the generality of **Section 3(j)** and **Section 3(o)**, in determining whether the Holders of the required number of outstanding shares of Convertible Preferred Stock have concurred in any direction, waiver or consent, shares of Convertible Preferred Stock owned by the Company or any of its Subsidiaries will be deemed not to be outstanding.

(o) *Outstanding Shares.*

(i) *Generally.* The shares of Convertible Preferred Stock that are outstanding at any time will be deemed to be those shares indicated as outstanding in the Register (absent manifest error), excluding those shares of Convertible Preferred Stock that have theretofore been (1) cancelled by the Transfer Agent or delivered to the Transfer Agent for cancellation in accordance with **Section 3(m)**; (2) paid in full upon their conversion or upon their repurchase pursuant to a Repurchase Upon Fundamental Change or a Redemption in accordance with this Certificate of Designations; or (3) deemed to cease to be outstanding to the extent provided in, and subject to, **clause (ii), (iii), (iv) or (v)** of this **Section 3(o)**.

(ii) *Replaced Shares.* If any Certificate evidencing any share of Convertible Preferred Stock is replaced pursuant to **Section 3(k)**, then such share will cease to be outstanding at the time of such replacement, unless the Transfer Agent and the Company receive proof reasonably satisfactory to them that such share is held by a “*bona fide purchaser*” under applicable law.

(iii) *Shares to Be Repurchased Pursuant to a Redemption.* If, on a Redemption Date, the Paying Agent holds consideration in kind and amount that is sufficient to pay the aggregate Redemption Price due on such date, then (unless there occurs a default in the payment of the Redemption Price) (1) the Convertible Preferred Stock to be redeemed on such date will be deemed, as of such date, to cease to be outstanding (without limiting the Company’s obligations pursuant to **Section 5(d)**); and (2) the rights of the Holders of such Convertible Preferred Stock, as such, will terminate with respect to such Convertible Preferred Stock, other than the right to receive the Redemption Price as provided in **Section 7** (and, if applicable, declared Dividends as provided in **Section 5(d)**).

(iv) *Shares to Be Repurchased Pursuant to a Repurchase Upon Fundamental Change.* If, on a Fundamental Change Repurchase Date, the Paying Agent holds consideration in kind and amount that is sufficient to pay the aggregate Fundamental Change Repurchase Price due on such date, then (unless there occurs a default in the payment of the Fundamental Change Repurchase Price) (1) the Convertible Preferred Stock to be repurchased on such date will be deemed, as of such date, to cease to be outstanding (without limiting the Company’s obligations pursuant to **Section 5(d)**); and (2) the rights of the Holders of such Convertible Preferred Stock, as such, will terminate with respect to such Convertible Preferred Stock, other than the right to receive the Fundamental Change Repurchase Price as provided in **Section 8** (and, if applicable, declared Dividends as provided in **Section 5(d)**).

(v) *Shares to Be Converted.* If any Convertible Preferred Stock is to be converted, then, at the Close of Business on the Conversion Date for such conversion (unless there occurs a default in the delivery of the Conversion Consideration due pursuant to **Section 10** upon such conversion): (1) such Convertible Preferred Stock will be deemed to cease to be outstanding (without limiting the Company’s obligations pursuant to **Section 5(d)**); and (2) the rights of the Holders of such Convertible Preferred Stock, as such, will terminate with respect to such Convertible Preferred Stock, other than the right to receive such Conversion Consideration as provided in **Section 10** (and, if applicable, declared Dividends as provided in **Section 5(d)**).

(p) *Repurchases by the Company and its Subsidiaries.* Without limiting the generality of **Section 3(m)** and the next sentence, the Company and its Subsidiaries may, from time to time, repurchase Convertible Preferred Stock in open market purchases or in negotiated transactions without delivering prior notice to Holders. The Company will promptly deliver to the Transfer Agent for cancellation all Convertible Preferred Stock that the Company or any of its Subsidiaries have purchased or otherwise acquired.

(q) *Notations and Exchanges.* Without limiting any rights of Holders pursuant to **Section 9**, if any amendment, supplement or waiver to the Certificate of Incorporation (including this Certificate of Designations) changes the terms of any Convertible Preferred Stock, then the Company may, in its discretion, require the Holder of the Certificate evidencing such Convertible Preferred Stock to deliver such Certificate to the Transfer Agent so that the Transfer Agent may place an appropriate notation prepared by the Company on such Certificate and return such Certificate to such Holder. Alternatively, at its discretion, the Company may, in exchange for such Convertible Preferred Stock, issue, execute and deliver, and cause the Transfer Agent to countersign, in each case, in accordance with **Section 3(c)**, a new Certificate evidencing such Convertible Preferred Stock that reflects the changed terms. The failure to make any appropriate notation or issue a new Certificate evidencing any Convertible Preferred Stock pursuant to this **Section 3(q)** will not impair or affect the validity of such amendment, supplement or waiver.

Section 4. RANKING. The Convertible Preferred Stock will rank (a) senior to (i) Dividend Junior Stock with respect to the payment of dividends; and (ii) Liquidation Junior Stock with respect to the distribution of assets upon the Company's liquidation, dissolution or winding up; (b) equally with (i) Dividend Parity Stock with respect to the payment of dividends; and (ii) Liquidation Parity Stock with respect to the distribution of assets upon the Company's liquidation, dissolution or winding up; and (c) junior to (i) Dividend Senior Stock with respect to the payment of dividends; and (ii) Liquidation Senior Stock with respect to the distribution of assets upon the Company's liquidation, dissolution or winding up.

Section 5. DIVIDENDS.

(a) *Regular Dividends.*

(i) *Accumulation and Payment of Regular Dividends.* The Convertible Preferred Stock will accumulate cumulative dividends at a rate per annum equal to the Regular Dividend Rate on the Liquidation Preference plus any accrued and unpaid dividends in respect of the Convertible Preferred Stock, whether or not declared (and including, for the avoidance of doubt, any previously accrued and unpaid dividends in respect of the Convertible Preferred Stock which have been added to the Liquidation Preference pursuant to Section 5(b)(i) thereof (calculated in accordance with **Section 5(a)(ii)**), regardless of whether or not declared or funds are legally available for their payment (such dividends that accumulate on the Convertible Preferred Stock pursuant to this sentence, "**Regular Dividends**"). Subject to the other provisions of this **Section 5** (including, for the avoidance of doubt, **Section 5(b)(i)**), such Regular Dividends will be payable when, as and if declared by the Board of Directors, quarterly in arrears on each

Regular Dividend Payment Date, to the Holders as of the Close of Business on the immediately preceding Regular Dividend Record Date. Regular Dividends on the Convertible Preferred Stock will accumulate daily from, and including, the last date on which Regular Dividends have been paid (or, if no Regular Dividends have been paid, from, and including, the Initial Issue Date) to, but excluding, the next Regular Dividend Payment Date.

(ii) *Computation of Accumulated Regular Dividends.* Accumulated Regular Dividends will be computed on the basis of a 360-day year comprised of twelve 30-day months. Regular Dividends on each share of Convertible Preferred Stock will accrue on the Liquidation Preference (plus any accrued and unpaid dividends in respect of the Convertible Preferred Stock, whether or not declared (and including, for the avoidance of doubt, any previously accrued and unpaid dividends in respect of the Convertible Preferred Stock which have been added to the Liquidation Preference pursuant to **Section 5(b)(i)**) of such share as of immediately before the Close of Business on the preceding Regular Dividend Payment Date (or, if there is no preceding Regular Dividend Payment Date, on the Initial Issue Date of such share).

(b) *Calculation of Regular Dividends.*

(i) *Generally.* With respect to any Regular Dividend Payment Date on or prior to the three (3) year anniversary of the Initial Issue Date, dividends shall not be permitted to be paid in cash, and instead the dollar amount (expressed as an amount per share of Convertible Preferred Stock) of each Regular Dividend on the Convertible Preferred Stock (whether or not declared) that has accumulated on the Convertible Preferred Stock in respect of the Regular Dividend Period ending on, but excluding, a Regular Dividend Payment Date, will be added, effective immediately before the Close of Business on the related Regular Dividend Payment Date, to the Liquidation Preference of each share of Convertible Preferred Stock outstanding as of such time. Such addition will occur automatically, without the need for any action on the part of the Company or any other Person. With respect to any Regular Dividend Payment Date after the three (3) year anniversary of the Initial Issue Date, Regular Dividends shall only be payable in cash, out of funds legally available therefor, and only when and if declared by the Board of Directors; *provided* that, for the avoidance of doubt, the Board of Directors may elect not to declare such Regular Dividends in which case such amounts shall continue to accrue and the Board of Directors may later declare and pay any previously accrued but undeclared dividends that accrue following the three (3) year anniversary of the Initial Issue Date in cash, out of funds legally available therefor, at any time thereafter.

(ii) *Construction.* Any Regular Dividends added to the Liquidation Preference of any share of Convertible Preferred Stock pursuant to **Section 5(b)(i)** will be deemed to be “declared” and “paid” on such share of Convertible Preferred Stock for all purposes of this Certificate of Designations.

(c) *Participating Dividends.*

(i) *Generally.* Subject to **Section 5(c)(ii)**, no dividend or other distribution on the Common Stock (whether in cash, securities (including rights or options) or other property, or any combination of the foregoing) will be declared or paid on the Common Stock unless, at the time of such declaration and payment, an equivalent dividend or distribution is declared and paid, respectively, on the Convertible Preferred Stock (such a dividend or distribution on the Convertible Preferred Stock, a “**Participating Dividend**,” and such corresponding dividend or distribution on the Common Stock, the “**Common Stock Participating Dividend**”), such that (1) the Record Date and the payment date for such Participating Dividend occur on the same dates as the Record Date and payment date, respectively, for such Common Stock Participating Dividend; and (2) the kind and amount of consideration payable per share of Convertible Preferred Stock in such Participating Dividend is the same kind and amount of consideration that would be payable in the Common Stock Participating Dividend in respect of a number of shares of Common Stock equal to the number of shares of Common Stock that would be issuable (determined in accordance with **Section 10** but without regard to **Section 10(h)**) in respect of one (1) share of Convertible Preferred Stock that is converted with a Conversion Date occurring on such Record Date (subject to the same arrangements, if any, in such Common Stock Participating Dividend not to issue or deliver a fractional portion of any security or other property, but with such arrangement applying separately to each Holder and computed based on the total number of shares of Convertible Preferred Stock held by such Holder on such Record Date).

(ii) *Stockholder Rights Plans, Common Stock Change Events and Stock Splits, Dividends and Combinations.* **Section 5(c)(i)** will not apply to, and no Participating Dividend will be required to be declared or paid in respect of, (1) a Common Stock Change Event, as to which **Section 10(i)** will apply; (2) an event for which an adjustment to the Conversion Price is required pursuant to **Section 10(f)(i)**, as to which the applicable provision of **Section 10(f)(i)** will apply (*provided, however*, that the Holders may elect, by written action of the Majority Holders delivered to the Company prior to the relevant Record Date, to receive a Participating Dividend in lieu of an adjustment to the Conversion Price pursuant to **Section 10(f)(i)(2) through (4)**); (3) a Distribution Transaction where the Majority Holders elect to engage in a Spin-Off Exchange Offer, and such Spin-Off Exchange Offer is completed pursuant to **Section 10(f)(iv)**, and (4) rights issued pursuant to a stockholder rights plan.

(d) *Treatment of Dividends Upon Redemption, Repurchase Upon Fundamental Change or Conversion.* If the Redemption Date, Fundamental Change Repurchase Date or Conversion Date of any share of Convertible Preferred Stock is after a Record Date for a declared Dividend on the Convertible Preferred Stock and on or before the next Dividend Payment Date, then the Holder of such share at the Close of Business on such Record Date will be entitled, notwithstanding the related Redemption, Repurchase Upon Fundamental Change or conversion, as applicable, to receive, on or, at the Company’s election, before such Dividend Payment Date, such declared Dividend on such share.

Section 6. RIGHTS UPON LIQUIDATION, DISSOLUTION OR WINDING UP.

(a) *Generally.* If the Company liquidates, dissolves or winds up, whether voluntarily or involuntarily (any such event, a “**Liquidation Event**”), then, subject to the rights of any of the

Company's creditors or holders of any outstanding Liquidation Senior Stock, each share of Convertible Preferred Stock will entitle the Holder thereof to receive payment for the greater of the amounts set forth in **clause (i)** and **(ii)** below out of the Company's assets or funds legally available for distribution to the Company's stockholders, before any such assets or funds are distributed to, or set aside for the benefit of, any Liquidation Junior Stock:

(i) the product of (x) the Initial Liquidation Preference multiplied by (y) the Liquidation Multiple, plus any accrued and unpaid dividends in respect of the Convertible Preferred Stock, whether or not declared (and including, for the avoidance of doubt, any previously accrued and unpaid dividends in respect of the Convertible Preferred Stock which have been added to the Liquidation Preference pursuant to **Section 5(b)(i)**, on such shares of Convertible Preferred Stock to, but excluding, the date of such payment); and

(ii) the amount such Holder would have received in respect of the number of shares of Common Stock that would be issuable upon conversion of such share of Convertible Preferred Stock in connection with an Optional Conversion assuming the Conversion Date of such conversion occurs on the date of such payment.

Upon payment of such amount in full on the outstanding Convertible Preferred Stock, Holders of the Convertible Preferred Stock will have no rights to the Company's remaining assets or funds, if any. If such assets or funds are insufficient to fully pay such amount on all outstanding shares of Convertible Preferred Stock and the corresponding amounts payable in respect of all outstanding shares of Liquidation Parity Stock, if any, then, subject to the rights of any of the Company's creditors or holders of any outstanding Liquidation Senior Stock, such assets or funds will be distributed ratably on the outstanding shares of Convertible Preferred Stock and Liquidation Parity Stock in proportion to the full respective distributions to which such shares would otherwise be entitled.

(b) *Certain Business Combination Transactions Deemed Not to Be a Liquidation.* For purposes of **Section 6(a)**, the Company's consolidation or combination with, or merger with or into, or the sale, lease or other transfer of all or substantially all of the Company's assets (other than a sale, lease or other transfer in connection with the Company's liquidation, dissolution or winding up) to, another Person will not, in itself, constitute the Company's liquidation, dissolution or winding up, even if, in connection therewith, the Convertible Preferred Stock is converted into, or is exchanged for, or represents solely the right to receive, other securities, cash or other property, or any combination of the foregoing.

Section 7. REDEMPTION AT THE OPTION OF THE HOLDER.

(a) *Right to Redeem On or After the Seven Year Anniversary.* Subject to the terms of this **Section 7**, each Holder has the right, at its election, to require the Company to repurchase, by irrevocable, written notice to the Company, all or any portion of such Holder's shares of the Convertible Preferred Stock, at any time, on a Redemption Date on or after the seven (7) year anniversary of the Initial Issue Date, out of funds legally available therefor, for a cash purchase price equal to the Redemption Price (each such redemption, a "**Redemption**").

(b) *Redemption Date.* The Redemption Date for any Redemption will be a Business Day of such Holder's choosing that is no more than twenty (20), nor less than ten (10), calendar days after the Redemption Notice Date for such Redemption.

(c) *Redemption Price.* The Redemption Price for any share of Convertible Preferred Stock to be repurchased pursuant to a Redemption is an amount in cash equal to the Liquidation Preference (plus any accrued and unpaid dividends in respect of the Convertible Preferred Stock, whether or not declared (and including, for the avoidance of doubt, any previously accrued and unpaid dividends in respect of the Convertible Preferred Stock which have been added to the Liquidation Preference pursuant to **Section 5(b)(i)**) of such share at the Close of Business on the Redemption Date for such Redemption.

(d) *Redemption Notice.* To require the Company to redeem any share of Convertible Preferred Stock, such Holder must send the Company a notice of such Redemption (a "**Redemption Notice**"), which Redemption Notice must state:

- (i) that such share has been called for Redemption;
- (ii) the number of such shares subject to Redemption; and
- (iii) the Redemption Date for such Redemption.

(e) *Payment of the Redemption Price.* The Company will cause the Redemption Price for each share of Convertible Preferred Stock subject to Redemption to be paid to the Holder thereof on or before the applicable Redemption Date.

Section 8. RIGHT OF HOLDERS TO REQUIRE THE COMPANY TO REPURCHASE CONVERTIBLE PREFERRED STOCK UPON A FUNDAMENTAL CHANGE.

(a) *Fundamental Change Repurchase Right.* Subject to the other terms of this **Section 8**, if a Fundamental Change occurs, then each Holder may, at its election, either (i) effective as of immediately prior to the Fundamental Change, convert all or a portion of its shares of Convertible Preferred Stock pursuant to **Section 10** at the then-current Conversion Price or (ii) require the Company to repurchase (the "**Fundamental Change Repurchase Right**") all, or any whole number of shares that is less than all, of such Holder's Convertible Preferred Stock that have not been converted pursuant to clause (i) on the Fundamental Change Repurchase Date for such Fundamental Change, out of funds legally available therefor, for a cash purchase price equal to the Fundamental Change Repurchase Price.

(b) *Funds Legally Available for Payment of Fundamental Change Repurchase Price; Covenant Not to Take Certain Actions.* If the Company does not have sufficient funds legally available to pay the Fundamental Change Repurchase Price of all shares of Convertible Preferred Stock that are to be repurchased pursuant to a Repurchase Upon Fundamental Change, then the Company shall (1) pay the maximum amount of such Fundamental Change Repurchase Price that can be paid out of funds legally available for payment, which payment will be made pro rata to each Holder based on the total number of shares of Convertible Preferred Stock of such Holder that were otherwise to be repurchased pursuant to such Repurchase Upon Fundamental Change; and (2) purchase any shares of Convertible Preferred Stock not purchased because of the foregoing

limitations at the applicable Fundamental Change Repurchase Price as soon as practicable after the Company is able to make such purchase out of assets legally available for the purchase of such shares of Convertible Preferred Stock. The inability of the Company (or its successor) to make a purchase payment for any reason shall not relieve the Company (or its successor) from its obligation to effect any required purchase when, as and if permitted by applicable law. If the Company fails to pay the Fundamental Change Repurchase Price in full when due in accordance with this **Section 8** in respect of some or all of the shares or Convertible Preferred Stock to be repurchased pursuant to the Fundamental Change Repurchase Right, the Company will pay Dividends on such shares not repurchased at a Regular Dividend Rate of six and one half percent (6.5%) per annum until such shares are repurchased, payable quarterly in arrears, out of funds legally available, on each Dividend Payment Date, for the period from and including the first Dividend Payment Date (or the Initial Issue Date, as applicable) upon which the Company fails to pay the Fundamental Change Repurchase Price in full when due in accordance with this **Section 8** through but not including the latest of the day upon which the Company pays the Fundamental Change Repurchase Price in full in accordance with this **Section 8**. Notwithstanding the foregoing, in the event a Holder exercises a Fundamental Change Repurchase Right pursuant to this **Section 8** at a time when the Company is restricted or prohibited (contractually or otherwise) from repurchasing some or all of the Convertible Preferred Stock subject to the Fundamental Change Repurchase Right, the Company will use its commercially reasonable efforts to obtain the requisite consents to remove or obtain an exception or waiver to such restrictions or prohibition. Nothing herein shall limit a Holder's right to pursue any other remedies available to it hereunder, at law or in equity, including, without limitation, a decree of specific performance and/or injunctive relief with respect to the Company's failure to comply with its obligations under this **Section 8**. The Company will not voluntarily take any action, or voluntarily engage in any transaction, that would result in a Fundamental Change unless the Company in good faith believes that it will have sufficient funds legally available to fully pay the maximum aggregate Fundamental Change Repurchase Price that would be payable in respect of such Fundamental Change on all shares of Convertible Preferred Stock then outstanding.

(c) *Fundamental Change Repurchase Date.* The Fundamental Change Repurchase Date for any Fundamental Change will be a Business Day of the Company's choosing that is no more than thirty (30), nor less than twenty (20), Business Days after the date the Company sends the related Final Fundamental Change Notice pursuant to **Section 8(f)**.

(d) *Fundamental Change Repurchase Price.* The Fundamental Change Repurchase Price for any share of Convertible Preferred Stock to be repurchased upon a Repurchase Upon Fundamental Change following a Fundamental Change is an amount in cash equal to the greater of (i) the product of (x) the Liquidation Preference of such share multiplied by (y) the Liquidation Multiple, plus any accrued and unpaid dividends in respect of the Convertible Preferred Stock, whether or not declared (and including, for the avoidance of doubt, any previously accrued and unpaid dividends in respect of the Convertible Preferred Stock which have been added to the Liquidation Preference pursuant to **Section 5(b)(i)**) of such share at the Close of Business on the Fundamental Change Repurchase Date for such Fundamental Change (including any accumulated and unpaid Regular Dividends, whether or not declared, on such share to, but excluding, such Fundamental Change Repurchase Date) and (ii) the amount that such Holders would have received had such Holders, immediately prior to such Fundamental Change, converted such shares of Convertible Preferred Stock into Common Stock pursuant to **Section 10(a)**, without regard to any of the limitations on convertibility contained in **Section 10(h)**.

(e) *Initial Fundamental Change Notice.* On or before the twentieth (20th) Business Day prior to the date on which the Company anticipates consummating a Fundamental Change (or, if later, promptly after the Company discovers that a Fundamental Change may occur), a written notice shall be sent by or on behalf of the Company to the Holders as they appear in the records of the Company, which notice shall contain the date on which the Fundamental Change is anticipated to be effected (or, if applicable, the date on which a Schedule TO or other schedule, form or report disclosing a Fundamental Change was filed) (the “**Initial Fundamental Change Notice**”). No later than ten (10) Business Days prior to the date on which the Company anticipates consummating the Fundamental Change as set forth in the Initial Fundamental Change Notice (or, if the Fundamental Change has already occurred as provided in the Initial Fundamental Change Notice, promptly, but no later than the tenth (10th) Business Day following receipt thereof), any Holder that desires to exercise its rights pursuant to **Section 8(a)** shall notify the Company in writing thereof and shall specify (x) whether such Holder is electing to exercise its rights pursuant to clause (i) or (ii) of **Section 8(a)** and (y) the number of shares of Convertible Preferred Stock subject thereto.

(f) *Final Fundamental Change Notice.* If a Holder elects to exercise its Fundamental Change Repurchase Right pursuant to **Section 8(a)(ii)**, on or before the second (2nd) Business Day after the effective date of a Fundamental Change, the Company will send to each Holder a notice of such Fundamental Change (a “**Final Fundamental Change Notice**”). Such Final Fundamental Change Notice must state:

- (i) briefly, the events causing such Fundamental Change;
- (ii) the effective date of such Fundamental Change;
- (iii) the procedures that a Holder must follow to require the Company to repurchase its Convertible Preferred Stock pursuant to this **Section 8**, including the deadline for exercising the Fundamental Change Repurchase Right and the procedures for submitting and withdrawing a Fundamental Change Repurchase Notice;
- (iv) the Fundamental Change Repurchase Date for such Fundamental Change;
- (v) the Fundamental Change Repurchase Price per share of Convertible Preferred Stock, including reasonable detail of the calculation thereof;
- (vi) if the Fundamental Change Repurchase Date is after a Record Date for a declared Dividend on the Convertible Preferred Stock and on or before the next Dividend Payment Date, that such Dividend will be paid in accordance with **Section 5(d)**;
- (vii) the name and address of the Transfer Agent and the Conversion Agent;
- (viii) the Conversion Price in effect on the date of such Final Fundamental Change Notice and a description and quantification of any adjustments to the Conversion Price that may result from such Fundamental Change;

(ix) that Convertible Preferred Stock may be converted pursuant to **Section 10** at any time before the Close of Business on the Business Day immediately before the related Fundamental Change Repurchase Date (or, if the Company fails to pay the Fundamental Change Repurchase Price due on such Fundamental Change Repurchase Date in full, at any time until such time as the Company pays such Fundamental Change Repurchase Price in full);

(x) that shares of Convertible Preferred Stock for which a Fundamental Change Repurchase Notice has been duly tendered and not duly withdrawn must be delivered to the Paying Agent for the Holder thereof to be entitled to receive the Fundamental Change Repurchase Price; and

(xi) that shares of Convertible Preferred Stock that are subject to a Fundamental Change Repurchase Notice that has been duly tendered may be converted only if such Fundamental Change Repurchase Notice is withdrawn in accordance with this Certificate of Designations.

(g) *Procedures to Exercise the Fundamental Change Repurchase Right.*

(i) *Delivery of Fundamental Change Repurchase Notice and Shares of Convertible Preferred Stock to Be Repurchased.* To exercise its Fundamental Change Repurchase Right for any share(s) of Convertible Preferred Stock following a Fundamental Change, the Holder thereof must deliver to the Paying Agent:

(1) before the Close of Business on the Business Day immediately before the related Fundamental Change Repurchase Date (or such later time as may be required by law), a duly completed, written Fundamental Change Repurchase Notice with respect to such share(s); and

(2) such share(s), duly endorsed for transfer (to the extent such share(s) are evidenced by one or more Physical Certificates).

(ii) *Contents of Fundamental Change Repurchase Notices.* Each Fundamental Change Repurchase Notice with respect to any share(s) of Convertible Preferred Stock must state:

(1) if such share(s) are evidenced by one or more Physical Certificates, the certificate number(s) of such Physical Certificate(s);

(2) the number of shares of Convertible Preferred Stock to be repurchased, which must be a whole number; and

(3) that such Holder is exercising its Fundamental Change Repurchase Right with respect to such share(s).

(iii) *Withdrawal of Fundamental Change Repurchase Notice.* A Holder that has delivered a Fundamental Change Repurchase Notice with respect to any share(s) of Convertible Preferred Stock may withdraw such Fundamental Change Repurchase Notice by delivering a written notice of withdrawal to the Paying Agent at any time before the Close of Business on the Business Day immediately before the related Fundamental Change Repurchase Date. Such withdrawal notice must state:

- (1) if such share(s) are evidenced by one or more Physical Certificates, the certificate number(s) of such Physical Certificate(s);
- (2) the number of shares of Convertible Preferred Stock to be withdrawn, which must be a whole number; and
- (3) the number of shares of Convertible Preferred Stock, if any, that remain subject to such Fundamental Change Repurchase Notice, which must be a whole number.

If any Holder delivers to the Paying Agent any such withdrawal notice withdrawing any share(s) of Convertible Preferred Stock from any Fundamental Change Repurchase Notice previously delivered to the Paying Agent, and such share(s) have been surrendered to the Paying Agent, then such share(s) will be returned to the Holder thereof.

(h) *Payment of the Fundamental Change Repurchase Price.* Subject to **Section 8(b)**, the Company will cause the Fundamental Change Repurchase Price for each share of Convertible Preferred Stock to be repurchased pursuant to a Repurchase Upon Fundamental Change to be paid to the Holder thereof on or before the applicable Fundamental Change Repurchase Date (or, if later in the case such share is evidenced by a Physical Certificate, the date the Physical Certificate evidencing such share is delivered to the Paying Agent).

(i) *Third Party May Conduct Repurchase Offer In Lieu of the Company.* Notwithstanding anything to the contrary in this **Section 8**, the Company will be deemed to satisfy its obligations under this **Section 8** if one or more third parties conduct any Repurchase Upon Fundamental Change and related offer to repurchase Convertible Preferred Stock otherwise required by this **Section 8** in a manner that would have satisfied the requirements of this **Section 8** if conducted directly by the Company.

(j) *Fundamental Change Agreements.* The Company shall not enter into any agreement for a transaction constituting a Fundamental Change unless (i) such agreement provides for, or does not interfere with or prevent (as applicable), the exercise by the Holders of their Fundamental Change Repurchase Right in a manner that is consistent with, and gives effect to, this **Section 8** and (ii) the acquiring or surviving Person in such Fundamental Change represents and covenants, in form and substance reasonably satisfactory to the Board of Directors acting in good faith, that at the closing of such Fundamental Change that such Person shall have sufficient funds (which may include, without limitation, cash and cash equivalents on the Company's balance sheet, the proceeds of any debt or equity financing, available lines of credit or uncalled capital commitments) to consummate such Fundamental Change and the payment the Fundamental Change Repurchase Price in respect of shares of Convertible Preferred Stock that have not been converted into Common Stock prior to the Fundamental Change Repurchase Date pursuant to this **Section 8** or **Section 10**, as applicable.

Section 9. VOTING RIGHTS. The Convertible Preferred Stock will have no voting rights except as set forth in this **Section 9** or as otherwise provided in the Certificate of Incorporation or required by the General Corporation Law of the State of Delaware.

(a) *Voting and Consent Rights with Respect to Specified Matters.*

(i) *Generally.* Subject to the other provisions of this **Section 9(a)**, each following event will require, and cannot be effected without, the affirmative vote or consent of (x) while any share of the Convertible Preferred Stock is outstanding with respect to **Section 9(a)(i)(1)** and **Section 9(a)(i)(2)**, and (y) while at least twenty-five percent (25%) of the Convertible Preferred Stock issued on the Initial Issue Date is outstanding with respect to **Section 9(a)(i)(3)**, **Section 9(a)(i)(4)**, **Section 9(a)(i)(5)** and **Section 9(a)(i)(6)**, Majority Holders:

(1) any amendment, modification or repeal of any provision of the Certificate of Incorporation (including this Certificate of Designations) or Bylaws that adversely affects the rights, preferences or voting powers of the Convertible Preferred Stock (other than an amendment, modification or repeal permitted by **Section 9(a)(ii)**);

(2) any issuances by the Company of shares of, or other securities convertible into, Dividend Parity Stock, Liquidation Parity Stock, Dividend Senior Stock or Liquidation Senior Stock;

(3) any change in size of the Company's Board of Directors;

(4) any voluntary dissolution, liquidation, bankruptcy or winding up of the Company or any deregistration or delisting of the Common Stock of the Company;

(6) the disposition, spin-off, split-off or other divestiture of Mandiant Solutions, or any business unit or asset within Mandiant Solutions, in each case, in any transaction with consideration in excess of \$300,000,000.

provided, however, that each of the following will be deemed not to adversely affect the special rights, preferences or voting powers of the Convertible Preferred Stock and will not require any vote or consent pursuant to **Section 9(a)(i)(1)** and **Section 9(a)(i)(2)**:

(I) any increase in the number of the authorized but unissued shares of the Company's undesignated preferred stock;

(II) any increase in the number of authorized shares of Convertible Preferred Stock as necessary with respect to issuances of shares of Convertible Preferred Stock in respect of Convertible Preferred Stock that was issued on the Initial Issue Date;

(III) the creation and issuance, or increase in the authorized or issued number, of any shares of any class or series of stock that is both Dividend Junior Stock and Liquidation Junior Stock; and

(IV) the application of **Section 10(i)**, including the execution and delivery of any supplemental instruments pursuant to **Section 10(i)(ii)** solely to give effect to such provision.

(ii) *Certain Amendments Permitted Without Consent.* Notwithstanding anything to the contrary in **Section 9(a)(i)(1)**, the Company may amend, modify or repeal any of the terms of the Convertible Preferred Stock without the vote or consent of any Holder to amend or correct this Certificate of Designations to cure any ambiguity or correct any omission, defect or inconsistency.

(b) *Right to Vote with Holders of Common Stock on an As-Converted Basis.* Subject to the other provisions of, and without limiting the other voting rights provided in, this **Section 9**, and except as provided in the Certificate of Incorporation or restricted by the General Corporation Law of the State of Delaware, the Holders will have the right to vote together as a single class with the holders of the Common Stock on each matter submitted for a vote or consent by the holders of the Common Stock, and, for these purposes, (i) the Convertible Preferred Stock of each Holder will entitle such Holder to be treated as if such Holder were the holder of record, as of the record or other relevant date for such matter, of a number of shares of Common Stock equal to the number of shares of Common Stock that would be issuable (determined in accordance with **Section 10(e)**, including **Section 10(e)(ii)**) upon conversion of such Convertible Preferred Stock assuming such Convertible Preferred Stock were converted with a Conversion Date occurring on such record or other relevant date; and (ii) the Holders will be entitled to notice of all stockholder meetings or proposed actions by written consent in accordance with the Certificate of Incorporation, the Bylaws of the Company, and the General Corporation Law of the State of Delaware as if the Holders were holders of Common Stock. Notwithstanding the foregoing, the aggregate voting power of the Convertible Preferred Stock when voting with the holders of the Common Stock shall be limited to the extent necessary to comply with the NASDAQ Listing Standard Rules, and any resulting limitation on the voting rights of the Convertible Preferred Stock shall apply pro rata among the Holders thereof.

(c) *Procedures for Voting and Consents.*

(i) *Rules and Procedures Governing Votes and Consents.* If any vote or consent of the Holders will be held or solicited, including at an annual meeting or a special meeting of stockholders, then (1) the Board of Directors will adopt customary rules and procedures at its discretion to govern such vote or consent, subject to the other provisions of this **Section 9**; and (2) such rules and procedures may include fixing a record date to determine the Holders that are entitled to vote or provide consent, as applicable, rules

governing the solicitation and use of proxies or written consents and customary procedures for the nomination and designation, by Holders, of directors for election; *provided, however*, that with respect to any voting rights of the Holders pursuant to **Section 9(b)**, such rules and procedures will be the same rules and procedures that apply to holders of the Common Stock with respect to the applicable matter referred to in **Section 9(b)**.

(ii) *Voting Power of the Convertible Preferred Stock.* Each share of Convertible Preferred Stock outstanding as of the applicable record date will be entitled to one vote on each matter on which the Holders of the Convertible Preferred Stock are entitled to vote separately as a class and not together with the holders of any other class or series of stock.

(iii) *Written Consent in Lieu of Stockholder Meeting.* Notwithstanding anything to the contrary otherwise set forth in the Certificate of Incorporation, the Bylaws or otherwise, a consent or affirmative vote of the Holders pursuant to **Section 9(a)** may be given or obtained in writing without a meeting.

Section 10. CONVERSION.

(a) *Generally.* Subject to the provisions of this **Section 10**, the Convertible Preferred Stock may be converted only pursuant to a Mandatory Conversion or an Optional Conversion.

(b) *Conversion at the Option of the Holders.*

(i) *Conversion Right; When Shares May Be Submitted for Optional Conversion.* Holders will have the right to submit all, or any whole number of shares that is less than all, of their shares of Convertible Preferred Stock pursuant to an Optional Conversion at any time; *provided, however*, that, notwithstanding anything to the contrary in this Certificate of Designations,

(1) if a Fundamental Change Repurchase Notice is validly delivered pursuant to **Section 8(g)(i)** with respect to any share of Convertible Preferred Stock, then such share may not be submitted for Optional Conversion after the Business Day prior to the consummation of the Fundamental Change, except to the extent (A) such share is not subject to such notice; (B) such notice is withdrawn in accordance with **Section 8(g)(iii)**; or (C) the Company fails to pay the Fundamental Change Repurchase Price for such share in accordance with this Certificate of Designations;

(2) no Convertible Preferred Stock may be submitted for Optional Conversion to the extent limited by **Section 10(h)**;

(3) shares of Convertible Preferred Stock that are called for Redemption may not be submitted for Optional Conversion after the Close of Business on the Business Day immediately before the related Redemption Date (or, if the Company fails to pay the Redemption Price due on such Redemption Date in full, at any time until such time as the Company pays such Redemption Price in full); and

(4) shares of Convertible Preferred Stock that are subject to Mandatory Conversion may not be submitted for Optional Conversion after the Close of Business on the Business Day immediately before the related Mandatory Conversion Date.

(ii) *Conversions of Fractional Shares Not Permitted.* Notwithstanding anything to the contrary in this Certificate of Designations, in no event will any Holder be entitled to convert a number of shares of Convertible Preferred Stock that is not a whole number.

(c) *Mandatory Conversion at the Company's Election.*

(i) *Mandatory Conversion Right.* Subject to the provisions of this **Section 10**, the Company has the right (the "**Mandatory Conversion Right**"), exercisable at its election, to designate any Business Day on or after the three (3) year anniversary of the Initial Issue Date as a Conversion Date for the conversion (such a conversion, a "**Mandatory Conversion**") of all, but not less than all, of the outstanding shares of Convertible Preferred Stock, but only if the Last Reported Sale Price per share of Common Stock exceeds one hundred and seventy-five percent (175%) of the Conversion Price on each of at least twenty (20) Trading Days (whether or not consecutive) during the thirty (30) consecutive Trading Days ending on, and including, the Trading Day immediately before the Mandatory Conversion Notice Date for such Mandatory Conversion.

(ii) *Mandatory Conversion Prohibited in Certain Circumstances.* The Company will not exercise its Mandatory Conversion Right, or otherwise send a Mandatory Conversion Notice, with respect to any Convertible Preferred Stock pursuant to this **Section 10(c)** unless the Common Stock Liquidity Conditions are satisfied with respect to the Mandatory Conversion. Notwithstanding anything to the contrary in this **Section 10(c)**, the Company's exercise of its Mandatory Conversion Right, and any related Mandatory Conversion Notice, will not apply to any share of Convertible Preferred Stock as to which a Fundamental Change Repurchase Notice has been duly delivered, and not withdrawn, pursuant to **Section 8(g)**. Notwithstanding anything to the contrary in this **Section 10(c)**, the Company cannot exercise its Mandatory Conversion Right with respect to any shares of Convertible Preferred Stock to the extent limited by **Section 10(h)**.

(iii) *Mandatory Conversion Date.* The Mandatory Conversion Date for any Mandatory Conversion will be a Business Day of the Company's choosing that is no more than twenty (20), nor less than ten (10), Business Days after the Mandatory Conversion Notice Date for such Mandatory Conversion.

(iv) *Mandatory Conversion Notice.* To exercise its Mandatory Conversion Right with respect to any shares of Convertible Preferred Stock, the Company must send to each Holder of such shares a written notice of such exercise (a "**Mandatory Conversion Notice**").

(v) Such Mandatory Conversion Notice must state:

(1) that the Company has exercised its Mandatory Conversion Right to cause the Mandatory Conversion of the shares of Convertible Preferred Stock, briefly describing the Company's Mandatory Conversion Right under this Certificate of Designations;

(2) the Mandatory Conversion Date for such Mandatory Conversion and the date scheduled for the settlement of such Mandatory Conversion;

(3) the name and address of the Paying Agent and the Conversion Agent, as well as instructions whereby the Holder may surrender such share to the Transfer Agent or Conversion Agent;

(4) that shares of Convertible Preferred Stock subject to Mandatory Conversion may be converted earlier at the option of the Holders thereof pursuant to an Optional Conversion at any time before the Close of Business on the Business Day immediately before the Mandatory Conversion Date; and

(5) the Conversion Price in effect on the Mandatory Conversion Notice Date for such Mandatory Conversion), the number of shares of Common Stock to be issued to such Holder upon conversion of each share of Convertible Preferred Stock held by such Holder and, if applicable, the amount of accumulated and unpaid Regular Dividends, whether or not declared, in respect of such share of Convertible Preferred Stock as of the Mandatory Conversion Date.

(d) *Conversion Procedures.*

(i) *Mandatory Conversion.* If the Company duly exercises, in accordance with **Section 10(c)**, its Mandatory Conversion Right with respect to any share of Convertible Preferred Stock, then (1) the Mandatory Conversion of such share will occur automatically and without the need for any action on the part of the Holder(s) thereof; and (2) the shares of Common Stock due upon such Mandatory Conversion will be registered in the name of, and, if applicable, the cash due upon such Mandatory Conversion will be delivered to, the Holder(s) of such share of Convertible Preferred Stock as of the Close of Business on the related Mandatory Conversion Date.

(ii) *Requirements for Holders to Exercise Optional Conversion Right.*

(1) *Generally.* To convert any share of Convertible Preferred Stock evidenced by a Certificate pursuant to an Optional Conversion, the Holder of such share must (w) complete, sign (by manual, facsimile or electronic signature) and deliver to the Conversion Agent an Optional Conversion Notice (at which time, in the case such Certificate is an Electronic Certificate, such Optional Conversion will become irrevocable); (x) if such Certificate is a Physical Certificate, deliver such Physical Certificate to the Conversion Agent (at which time such Optional Conversion will become irrevocable); (y) furnish any endorsements and transfer documents that the Company or the Conversion Agent may require; and (z) if applicable, pay any documentary or other taxes that are required to be paid by the Company as a result of a Holder requesting that shares be registered in a name other than such Holders' name as described in **Section 11(c)**.

(2) *Optional Conversion Permitted only During Business Hours.* Convertible Preferred Stock will be deemed to be surrendered for Optional Conversion only after the Open of Business and before the Close of Business on a day that is a Business Day.

(iii) *Treatment of Accumulated Dividends upon Conversion.*

(1) *No Adjustments for Accumulated Regular Dividends.* Without limiting the operation of **Section 5(b)(i)** and **Section 10(c)(i)**, the Conversion Price will not be adjusted to account for any accumulated and unpaid Regular Dividends on any Convertible Preferred Stock being converted.

(2) *Conversions Between A Record Date and a Dividend Payment Date.* If the Conversion Date of any share of Convertible Preferred Stock to be converted is after a Record Date for a declared Dividend on the Convertible Preferred Stock and on or before the next Dividend Payment Date, then such Dividend will be paid pursuant to **Section 5(d)** notwithstanding such conversion.

(iv) *When Holders Become Stockholders of Record of the Shares of Common Stock Issuable Upon Conversion.* The Person in whose name any share of Common Stock is issuable upon conversion of any Convertible Preferred Stock will be deemed to become the holder of record of such share as of the Close of Business on the Conversion Date for such conversion.

(e) *Settlement upon Conversion.*

(i) *Generally.* Subject to **Section 10(e)(ii)**, **Section 10(h)** and **Section 14(b)**, the consideration due upon settlement of the conversion of each share of Convertible Preferred Stock will consist of a number of shares of Common Stock equal to the quotient obtained by dividing (I) the Liquidation Preference (plus any accrued and unpaid dividends in respect of the Convertible Preferred Stock, whether or not declared (and including, for the avoidance of doubt, any previously accrued and unpaid dividends in respect of the Convertible Preferred Stock which have been added to the Liquidation Preference pursuant to **Section 5(b)(i)**), on such shares of Convertible Preferred Stock to, but excluding, the Conversion Date) for such shares of Convertible Preferred Stock subject to conversion by (II) the Conversion Price, in each case, as of immediately before the Close of Business on such Conversion Date.

(ii) *Payment of Cash in Lieu of any Fractional Share of Common Stock.* Subject to **Section 14(b)**, in lieu of delivering any fractional share of Common Stock otherwise due upon conversion of any Convertible Preferred Stock, the Company will, to the extent it is legally able to do so and permitted under the terms of its indebtedness for borrowed money, pay cash based on the Last Reported Sale Price per share of Common Stock on the Conversion Date for such conversion (or, if such Conversion Date is not a Trading Day, the immediately preceding Trading Day).

(iii) *Delivery of Conversion Consideration.* Except as provided in **Sections 10(f)(i)(3)(B), 10(f)(i)(5)** and **10(i)**, the Company will pay or deliver, as applicable, the Conversion Consideration due upon conversion of any Convertible Preferred Stock on or before the second (2nd) Business Day immediately after the Conversion Date for such conversion.

(f) *Conversion Price Adjustments.*

(i) *Events Requiring an Adjustment to the Conversion Price.* The Conversion Price will be adjusted from time to time as follows:

(1) *Stock Dividends, Splits and Combinations.* If the Company issues solely shares of Common Stock as a dividend or distribution on all or substantially all shares of the Common Stock, or if the Company effects a stock split or a stock combination of the Common Stock (in each case, excluding an issuance solely pursuant to a Common Stock Change Event, as to which **Section 10(i)** will apply), then the Conversion Price will be adjusted based on the following formula:

$$CP_1 = CP_0 \times \frac{OS_0}{OS_1}$$

where:

CP_0 = the Conversion Price in effect immediately before the Close of Business on the Record Date for such dividend or distribution, or immediately before the Close of Business on the effective date of such stock split or stock combination, as applicable;

CP_1 = the Conversion Price in effect immediately after the Close of Business on such Record Date or effective date, as applicable;

OS_0 = the number of shares of Common Stock outstanding immediately before the Close of Business on such Record Date or effective date, as applicable, without giving effect to such dividend, distribution, stock split or stock combination; and

OS_1 = the number of shares of Common Stock outstanding immediately after giving effect to such dividend, distribution, stock split or stock combination.

If any dividend, distribution, stock split or stock combination of the type described in this **Section 10(f)(i)(1)** is declared or announced, but not so paid or made, then the Conversion Price will be readjusted, effective as of the date the Board of Directors, or any Officer acting pursuant to authority conferred by the Board of Directors, determines not to pay such dividend or distribution or to effect such stock split or stock combination, to the Conversion Price that would then be in effect had such dividend, distribution, stock split or stock combination not been declared or announced.

(2) *Rights, Options and Warrants*. If the Company distributes, to all or substantially all holders of Common Stock, rights, options or warrants (other than rights issued or otherwise distributed pursuant to a stockholder rights plan, as to which **Section 10(f)(i)(3)(A)** and **Section 10(f)(iii)** will apply) entitling such holders, for a period of not more than sixty (60) calendar days after the Record Date of such distribution, to subscribe for or purchase shares of Common Stock at a price per share that is less than the average of the Last Reported Sale Prices per share of Common Stock for the ten (10) consecutive Trading Days ending on, and including, the Trading Day immediately before the date such distribution is announced, then the Conversion Price will be decreased based on the following formula:

$$CP_1 = CP_0 \times \frac{OS + Y}{OS + X}$$

where:

CP_0 = the Conversion Price in effect immediately before the Close of Business on such Record Date;

CP_1 = the Conversion Price in effect immediately after the Close of Business on such Record Date;

OS = the number of shares of Common Stock outstanding immediately before the Close of Business on such Record Date;

Y = a number of shares of Common Stock obtained by dividing (x) the aggregate price payable to exercise such rights, options or warrants by (y) the average of the Last Reported Sale Prices per share of Common Stock for the ten (10) consecutive Trading Days ending on, and including, the Trading Day immediately before the date such distribution is announced; and

X = the total number of shares of Common Stock issuable pursuant to such rights, options or warrants.

To the extent such rights, options or warrants are not so distributed, the Conversion Price will be readjusted to the Conversion Price that would then be in effect had the decrease to the Conversion Price for such distribution been made on the basis of only the rights, options or warrants, if any, actually distributed. In addition, to the extent that shares of Common Stock are not delivered after the expiration of such rights, options or warrants (including as a result of such rights, options or warrants not being exercised), the Conversion Price will be readjusted to the Conversion Price that would then be in effect had the decrease to the Conversion Price for such distribution been made on the basis of delivery of only the number of shares of Common Stock actually delivered upon exercise of such rights, option or warrants.

For purposes of this **Section 10(f)(i)(2)**, in determining whether any rights, options or warrants entitle holders of Common Stock to subscribe for or purchase shares of Common Stock at a price per share that is less than the average of the Last Reported Sale Prices per share of Common Stock for the ten (10) consecutive Trading Days ending on, and including, the Trading Day immediately before the date the distribution of such rights, options or warrants is announced, and in determining the aggregate price payable to exercise such rights, options or warrants, there will be taken into account any consideration the Company receives for such rights, options or warrants and any amount payable on exercise thereof, with the value of such consideration, if not cash, to be determined by the Board of Directors.

(3) *Distribution Transactions and Other Distributed Property.*

(A) *Distributions Other than Distribution Transactions.* If the Company distributes shares of its Capital Stock, evidences of the Company's indebtedness or other assets or property of the Company, or rights, options or warrants to acquire the Company's Capital Stock or other securities, to all or substantially all holders of the Common Stock, excluding:

(I) dividends, distributions, rights, options or warrants for which an adjustment to the Conversion Price is required pursuant to **Section 10(f)(i)(1)** or **10(f)(i)(2)**;

(II) dividends or distributions paid exclusively in cash for which an adjustment to the Conversion Price is required pursuant to **Section 10(f)(i)(4)**;

(III) rights issued or otherwise distributed pursuant to a stockholder rights plan, except to the extent provided in **Section 10(f)(iii)**;

(IV) Distribution Transactions for which an adjustment to the Conversion Price is required pursuant to **Section 10(f)(i)(3)(B)**;

(V) a distribution solely pursuant to a tender offer or exchange offer for shares of Common Stock, as to which **Section 10(f)(i)(2)** will apply; and

(VI) a distribution solely pursuant to a Common Stock Change Event, as to which **Section 10(i)** will apply, then the Conversion Price will be decreased based on the following formula:

$$CP_1 = CP_0 \times \frac{SP - FMV}{SP}$$

where:

- CP_0 = the Conversion Price in effect immediately before the Close of Business on the Record Date for such distribution;
- CP_1 = the Conversion Price in effect immediately after the Close of Business on such Record Date;
- SP = the average of the Last Reported Sale Prices per share of Common Stock for the ten (10) consecutive Trading Days ending on, and including, the Trading Day immediately before the Ex-Dividend Date for such distribution; and
- FMV = the fair market value (as determined by the Board of Directors), as of such Record Date, of the shares of Capital Stock, evidences of indebtedness, assets, property, rights, options or warrants distributed per share of Common Stock pursuant to such distribution;

provided, however, that, if FMV is equal to or greater than SP , then, in lieu of the foregoing adjustment to the Conversion Price, each Holder will receive, for each share of Convertible Preferred Stock held by such Holder on such Record Date, at the same time and on the same terms as holders of Common Stock, the amount and kind of shares of Capital Stock, evidences of indebtedness, assets, property, rights, options or warrants that such Holder would have received in such distribution if such Holder had owned, on such Record Date, a number of shares of Common Stock equal to the number of shares of Common Stock that would be issuable (determined in accordance with **Section 10(e)** but without regard to **Section 10(e)(ii)**, **10(h)** or **Section 10(e)(iii)**) in respect of one (1) share of Convertible Preferred Stock that is converted with a Conversion Date occurring on such Record Date (subject to the same arrangements, if any, in such distribution not to issue or deliver a fractional portion of any Capital Stock, evidences of indebtedness, assets, property, rights, options or warrants, but with such arrangement applying separately to each Holder and computed based on the total number of shares of Convertible Preferred Stock held by such Holder on such Record Date).

To the extent such distribution is not so paid or made, the Conversion Price will be readjusted to the Conversion Price that would then be in effect had the adjustment been made on the basis of only the distribution, if any, actually made or paid.

(B) *Distribution Transactions*. If the Company engages in a Distribution Transaction in which it distributes or dividends shares of Capital Stock of any class or series, or similar equity interests, of or relating to an Affiliate or Subsidiary or other business unit of the Company to all or substantially all holders of the Common Stock (other than solely pursuant to (x) a Common Stock Change Event, as to which **Section 10(i)** will apply; or (y) a tender offer or exchange offer for shares of Common Stock, as to which **Section 10(f)(i)(2)** will apply), and such Capital Stock or equity interests are listed or quoted (or will be listed or quoted upon the consummation of the transaction) on a U.S. national securities exchange, then the Conversion Price will be decreased based on the following formula:

$$CP_1 = CP_0 \times \frac{SP}{FMV + SP}$$

where:

- CP_0 = the Conversion Price in effect immediately before the Close of Business on the Record Date for such Distribution Transaction;
- CP_1 = the Conversion Price in effect immediately after the Close of Business on such Record Date;
- SP = the average of the Last Reported Sale Prices per share of Common Stock for each Trading Day in the Distribution Transaction Valuation Period (as defined below); and
- FMV = the product of (x) the average of the Last Reported Sale Prices per share or unit of the Capital Stock or equity interests distributed in such Distribution Transaction over the ten (10) consecutive Trading Day period (the “**Distribution Transaction Valuation Period**”) beginning on, and including, the Ex-Dividend Date for such Distribution Transaction (such average to be determined as if references to Common Stock in the definitions of “Last Reported Sale Price,” “Trading Day” and “Market Disruption Event” were instead references to such Capital Stock or equity interests); and (y) the number of share or units of such Capital Stock or equity interests distributed per share of Common Stock in such Distribution Transaction.

provided, however, that in the event of a Distribution Transaction where the Majority Holders elect to engage in a Spin-Off Exchange Offer, and such Spin-Off Exchange Offer is completed pursuant to **Section 10(f)(iv)**, then no adjustment to the Conversion Price shall be made pursuant to this **Section 10(f)(i)(3)(B)**.

The adjustment to the Conversion Price pursuant to this **Section 10(f)(i)(3)(B)** will be calculated as of the Close of Business on the last Trading Day of the Distribution Transaction Valuation Period that will be given effect immediately after the Close of Business of the Record Date for the Distribution Transaction, with retroactive effect. If the Conversion Date for any share of Convertible Preferred Stock to be converted occurs during the Distribution Transaction Valuation Period, then, notwithstanding anything to the contrary in this Certificate of Designations, the Company will, if necessary, delay the settlement of such conversion until the second (2nd) Business Day after the Last Trading Day of the Distribution Transaction Valuation Period.

To the extent any dividend or distribution of the type described in **Section 10(f)(i)(3)(B)** is declared but not made or paid, the Conversion Price will be readjusted to the Conversion Price that would then be in effect had the adjustment been made on the basis of only the dividend or distribution, if any, actually made or paid.

(4) *Cash Dividends or Distributions.* If any cash dividend or distribution is made to all or substantially all holders of Common Stock, then the Conversion Price will be decreased based on the following formula:

$$CP_1 = CP_0 \times \frac{SP - D}{SP}$$

where:

CP_0 = the Conversion Price in effect immediately before the Close of Business on the Record Date for such dividend or distribution;

CP_1 = the Conversion Price in effect immediately after the Close of Business on such Record Date;

SP = the Last Reported Sale Price per share of Common Stock on the Trading Day immediately before the Ex-Dividend Date for such dividend or distribution; and

D = the cash amount distributed per share of Common Stock in such dividend or distribution;

provided, however, that, if D is equal to or greater than SP , then, in lieu of the foregoing adjustment to the Conversion Price, each Holder will receive, for each share of Convertible Preferred Stock held by such Holder on such Record Date, at the same time and on the same terms as holders of Common Stock, the amount of cash that such Holder would have received in such dividend or distribution if such Holder had owned, on such Record Date, a number of shares of Common Stock equal to the number of shares of Common Stock that would be issuable (determined in accordance with **Section 10(e)** but without regard to **Section 10(e)(ii)**, **10(h)** or **Section 10(e)(iii)**) in respect of one (1) share of Convertible Preferred Stock that is converted with a Conversion Date occurring on such Record Date. To the extent such dividend or distribution is declared but not made or paid, the Conversion Price will be readjusted to the Conversion Price that would then be in effect had the adjustment been made on the basis of only the dividend or distribution, if any, actually made or paid.

(5) *Tender Offers or Exchange Offers.* If the Company or any of its Subsidiaries makes a payment in respect of a tender offer or exchange offer for shares of Common Stock (other than solely pursuant to an odd-lot tender offer pursuant to Rule 13e-4(h)(5) under the Exchange Act), and the value (determined as of the Expiration Time by the Board of Directors) of the cash and other consideration paid per share of Common Stock in such tender or exchange offer exceeds the Last Reported Sale Price per share of Common Stock on the Trading Day immediately after the last date (the “**Expiration Date**”) on which tenders or exchanges may be made pursuant to such tender or exchange offer (as it may be amended), then the Conversion Price will be decreased based on the following formula:

$$CP_1 = CP_0 \times \frac{SP \times OS_0}{AC + (SP \times OS_1)}$$

where:

- CP_0 = the Conversion Price in effect immediately before the time (the “**Expiration Time**”) such tender or exchange offer expires;
- CP_1 = the Conversion Price in effect immediately after the Expiration Time;
- SP = the average of the Last Reported Sale Prices per share of Common Stock over the ten (10) consecutive Trading Day period (the “**Tender/Exchange Offer Valuation Period**”) beginning on, and including, the Trading Day immediately after the Expiration Date;
- OS_0 = the number of shares of Common Stock outstanding immediately before the Expiration Time (including all shares of Common Stock accepted for purchase or exchange in such tender or exchange offer);

AC = the aggregate value (determined as of the Expiration Time by the Board of Directors) of all cash and other consideration paid for shares of Common Stock purchased or exchanged in such tender or exchange offer; and

OS₁ = the number of shares of Common Stock outstanding immediately after the Expiration Time (excluding all shares of Common Stock accepted for purchase or exchange in such tender or exchange offer);

provided, however, that the Conversion Price will in no event be adjusted up pursuant to this **Section 10(f)(i)(5)**, except to the extent provided in the immediately following paragraph. The adjustment to the Conversion Price pursuant to this **Section 10(f)(i)(5)** will be calculated as of the Close of Business on the last Trading Day of the Tender/Exchange Offer Valuation Period but will be given effect immediately after the Expiration Time, with retroactive effect. If the Conversion Date for any share of Convertible Preferred Stock to be converted occurs on the Expiration Date or during the Tender/Exchange Offer Valuation Period, then, notwithstanding anything to the contrary in this Certificate of Designations, the Company will, if necessary, delay the settlement of such conversion until the second (2nd) Business Day after the last Trading Day of the Tender/Exchange Offer Valuation Period.

To the extent such tender or exchange offer is announced but not consummated (including as a result of being precluded from consummating such tender or exchange offer under applicable law), or any purchases or exchanges of shares of Common Stock in such tender or exchange offer are rescinded, the Conversion Price will be readjusted to the Conversion Price that would then be in effect had the adjustment been made on the basis of only the purchases or exchanges of shares of Common Stock, if any, actually made, and not rescinded, in such tender or exchange offer.

(ii) *No Adjustments in Certain Cases.* Without limiting the operation of **Section 5(b)(i)** and **10(e)(i)**, the Company will not be required to adjust the Conversion Price except pursuant to **Section 10(f)(i)**.

(iii) *Stockholder Rights Plans.* If any shares of Common Stock are to be issued upon conversion of any Convertible Preferred Stock and, at the time of such conversion, the Company has in effect any stockholder rights plan, then the Holder of such Convertible Preferred Stock will be entitled to receive, in addition to, and concurrently with the delivery of, the consideration otherwise due upon such conversion, the rights set forth in such stockholder rights plan, unless such rights have separated from the Common Stock at such time, in which case, and only in such case, the Conversion Price will be adjusted pursuant to **Section 10(f)(i)(3)(A)** on account of such separation as if, at the time of such separation, the Company had made a distribution of the type referred to in such **Section 10(f)(i)(3)(A)** to all holders of Common Stock, subject to readjustment pursuant to **Section 10(f)(i)(3)(A)** if such rights expire, terminate or are redeemed.

(iv) *Distribution Transactions.*

(1) In the event the Company proposes to effect a Distribution Transaction, then, by written action of the Holders constituting at least a majority of the outstanding voting power of the Convertible Preferred Stock (the “**Majority Holders**”) delivered to the Company prior to the relevant Record Date, the Company will negotiate in good faith with such Majority Holders the terms and conditions of an exchange offer described herein (the “**Spin-Off Exchange Offer**”), and in the event the Spin-Off Exchange Offer is completed, then no adjustment to the Conversion Price shall be made pursuant to **Section 10(f)(i)(3)(B)**.

(2) In connection with the Spin-Off Exchange Offer, each share of Convertible Preferred Stock will be exchanged by the Company for one share of Mirror Preferred Stock and one share of Exchange Preferred Stock. The Liquidation Preference of the Convertible Preferred Stock will be allocated between the shares of Mirror Preferred Stock and Exchange Preferred Stock in accordance with the relative fair market value of the assets and businesses to be held by the Distributed Entity and the assets and businesses to be retained by the Company, as determined in good faith by the Board of Directors after consultation with the Majority Holders.

(3) The Company and the Majority Holders will negotiate reasonably and in good faith and each will use its reasonable best efforts to agree on mutually agreeable terms for the Spin-Off Exchange Offer, including, without limitation, the certificate of designations with respect to the Mirror Preferred Stock and the certificate of designations with respect to the Exchange Preferred Stock, to reflect the fact that following the completion of the Spin-Off Exchange Offer the adjustments to the Conversion Price will be based upon the common stock of the Company and the common stock of the Distributed Entity, and that the rights, benefits, obligations and economic characteristics of the Series A Preferred Stock will not be expanded or diminished as a result of the exchange of shares of Convertible Preferred Stock for shares of Mirror Preferred Stock and Exchange Preferred Stock. The exchange of Convertible Preferred Stock for Exchange Preferred Stock in the Spin-Off Exchange Offer shall be structured in a manner so as to qualify as a tax-free recapitalization within the meaning of Section 368(a) of the Code to the maximum extent permitted by applicable law.

(v) *Determination of the Number of Outstanding Shares of Common Stock.* For purposes of **Section 10(f)(i)**, the number of shares of Common Stock outstanding at any time will (1) include shares issuable in respect of scrip certificates issued in lieu of fractions of shares of Common Stock; and (2) exclude shares of Common Stock held in the Company’s treasury (unless the Company pays any dividend or makes any distributions on shares of Common Stock held in its treasury).

(vi) *Calculations.* All calculations with respect to the Conversion Price and adjustments thereto will be made to the nearest 1/100th of a cent (with 5/1,000ths rounded upward).

(vii) *Notice of Conversion Price Adjustments.* Upon the effectiveness of any adjustment to the Conversion Price pursuant to **Section 10(f)(i)**, the Company will promptly send notice to the Holders containing (1) a brief description of the transaction or other event on account of which such adjustment was made; (2) the Conversion Price in effect immediately after such adjustment; and (3) the effective time of such adjustment.

(g) *Voluntary Conversion Price Decreases.*

(i) *Generally.* To the extent permitted by law and applicable stock exchange rules, the Company, from time to time, may (but is not required to) decrease the Conversion Price by any amount if (1) the Board of Directors determines that such decrease is in the Company's best interest or that such decrease is advisable to avoid or diminish any income tax imposed on holders of Common Stock or rights to purchase Common Stock as a result of any dividend or distribution of shares (or rights to acquire shares) of Common Stock or any similar event; (2) such decrease is in effect for a period of at least twenty (20) Business Days; and (3) such decrease is irrevocable during such period; *provided, however*, that any such decrease that would be reasonably expected to result in any income tax imposed on holders of Convertible Preferred Stock shall require the affirmative vote or consent of Majority Holders.

(ii) *Notice of Voluntary Decrease.* If the Board of Directors determines to decrease the Conversion Price pursuant to **Section 10(g)(i)**, then, no later than the first Business Day of the related twenty (20) Business Day period referred to in **Section 10(g)(i)**, the Company will send notice to each Holder, the Transfer Agent and the Conversion Agent of such decrease to the Conversion Price, the amount thereof and the period during which such decrease will be in effect.

(h) *Restriction on Conversions.*

(i) *Equity Treatment Limitation.*

(1) *Generally.* Notwithstanding anything to the contrary in this Certificate of Designations, the Company will in no event be required to deliver any shares of Common Stock in settlement of the conversion of any Convertible Preferred Stock to the extent, but only to the extent, the Company does not then have sufficient authorized and unissued shares of Common Stock that are not reserved for other purposes (the limitation set forth in this sentence, the "**Equity Treatment Limitation**," and any shares of Common Stock that would otherwise be deliverable in excess of the number of such authorized and unissued shares, the "**Deficit Shares**"). If any Deficit Shares are withheld pursuant to the Equity Treatment Limitation and, at any time thereafter, some or all of such Deficit Shares could be delivered without violating the Equity Treatment Limitation, then (A) the Company will deliver such Deficit Shares to the extent, but only to the extent, such delivery is permitted by the Equity Treatment Limitation; and (B) the provisions of this sentence will continue to apply until there are no remaining Deficit Shares.

(2) *Share Reserve Provisions.* On the Initial Issue Date, the Number of Reserved Shares is not less than the Initial Share Reserve Requirement. The Company shall at all times reserve and keep available a Number of Reserved Shares to be no less than the Continuing Share Reserve Requirement at any time when any Convertible Preferred Stock is outstanding (including, if applicable, by seeking the approval of its stockholders to amend the Certificate of Incorporation to increase the number of authorized shares of Common Stock).

(3) *Limitation on Certain Transactions.* The Company will not, without the prior written consent of Majority Holders, effect any transaction that would require an adjustment to the Conversion Price pursuant to **Section 10(f)(i)** if the settlement of the conversion of all Convertible Preferred Stock then outstanding (assuming such conversion occurred immediately after giving effect to such adjustment) would result in any Deficit Shares pursuant to the Equity Treatment Limitation.

(i) *Effect of Common Stock Change Event.*

(i) *Generally.* If there occurs any:

(1) recapitalization, reclassification or change of the Common Stock, other than (x) changes solely resulting from a subdivision or combination of the Common Stock, (y) a change only in par value or from par value to no par value or no par value to par value or (z) stock splits and stock combinations that do not involve the issuance of any other series or class of securities;

(2) consolidation, merger, combination or binding or statutory share exchange involving the Company;

(3) sale, lease or other transfer of all or substantially all of the assets of the Company and its Subsidiaries, taken as a whole, to any Person; or

(4) other similar event,

and, as a result of which, the Common Stock is converted into, or is exchanged for, or represents solely the right to receive, other securities, cash or other property, or any combination of the foregoing (such an event, a “**Common Stock Change Event**,” and such other securities, cash or property, the “**Reference Property**,” and the amount and kind of Reference Property that a holder of one (1) share of Common Stock would be entitled to receive on account of such Common Stock Change Event (without giving effect to any arrangement not to issue or deliver a fractional portion of any security or other property), a “**Reference Property Unit**”), then, notwithstanding anything to the contrary in this Certificate of Designations,

(A) from and after the effective time of such Common Stock Change Event, (I) the consideration due upon conversion of any Convertible Preferred Stock will be determined in the same manner as if each reference to any number of shares of Common Stock in this **Section 10** or in **Section 11**, or in any related

definitions, were instead a reference to the same number of Reference Property Units; (II) for purposes of **Section 7** and **Section 10(c)**, each reference to any number of shares of Common Stock in such Sections (or in any related definitions) will instead be deemed to be a reference to the same number of Reference Property Units; and (III) for purposes of the definitions of “Fundamental Change,” the terms “Common Stock” and “common equity” will be deemed to mean the common equity (including depositary receipts representing common equity), if any, forming part of such Reference Property; and

(B) if such Reference Property Unit consists entirely of cash, then the Company will pay the cash due in respect of all conversions whose Conversion Date occurs on or after the effective date of such Common Stock Change Event no later than the tenth (10th) Business Day after the relevant Conversion Date.

If the Reference Property consists of more than a single type of consideration to be determined based in part upon any form of stockholder election, then the composition of the Reference Property Unit will be deemed to be the weighted average of the types and amounts of consideration actually received, per share of Common Stock, by the holders of Common Stock. The Company will notify the Holders of such weighted average as soon as practicable after such determination is made.

(i) *Compliance Covenant.* The Company will not become a party to any Common Stock Change Event unless its terms are consistent with this **Section 10(i)**.

(ii) *Execution of Supplemental Instruments.* On or before the date the Common Stock Change Event becomes effective, the Company and, if applicable, the resulting, surviving or transferee Person (if not the Company) of such Common Stock Change Event (the “**Successor Person**”) will execute and deliver such supplemental instruments, if any, as the Company reasonably determines are necessary or desirable to (1) provide for subsequent adjustments to the Conversion Price pursuant to **Section 10(f)(i)** in a manner consistent with this **Section 10(i)**; and (2) give effect to such other provisions, if any, as the Company reasonably determines are appropriate to preserve the economic interests of the Holders and to give effect to **Section 10(i)(i)**. If the Reference Property includes shares of stock or other securities or assets of a Person other than the Successor Person, then such other Person will also execute such supplemental instrument(s), if any, and such supplemental instrument(s) will contain such additional provisions, if any, that the Company reasonably determines are appropriate to preserve the economic interests of Holders.

(iii) *Notice of Common Stock Change Event.* The Company will provide notice of each Common Stock Change Event to Holders as promptly as possible after the effective date of the Common Stock Change Event.

Section 11. CERTAIN PROVISIONS RELATING TO THE ISSUANCE OF COMMON STOCK.

(a) *Equitable Adjustments to Prices.* Whenever this Certificate of Designations requires the Company to calculate the average of the Last Reported Sale Prices, or any function

thereof, over a period of multiple days (including to calculate an adjustment to the Conversion Price), the Company will make appropriate adjustments, if any, to those calculations to account for any adjustment to the Conversion Price pursuant to **Section 10(f)(i)** that becomes effective, or any event requiring such an adjustment to the Conversion Price where the Ex-Dividend Date, effective date or Expiration Date, as applicable, of such event occurs, at any time during such period.

(b) *Status of Shares of Common Stock.* Each share of Common Stock delivered upon conversion of the Convertible Preferred Stock of any Holder will be a newly issued share and will be duly authorized and validly issued, fully paid, non-assessable, free from preemptive rights and free of any lien or adverse claim (except to the extent of any lien or adverse claim created by the action or inaction of such Holder or the Person to whom such share of Common Stock will be delivered). If the Common Stock is then listed on any securities exchange, or quoted on any inter-dealer quotation system, then the Company will cause each such share of Common Stock, when so delivered, to be admitted for listing on such exchange or quotation on such system.

(c) *Taxes Upon Issuance of Common Stock.* The Company will pay any documentary, stamp or similar issue or transfer tax or duty due on the issue of any shares of Common Stock upon conversion of the Convertible Preferred Stock of any Holder, except any tax or duty that is due because such Holder requests those shares to be registered in a name other than such Holder's name.

Section 12. **TAXES.** The Company shall pay any and all stock transfer, documentary, stamp and similar taxes that may be payable in respect of any issuance or delivery of shares of Convertible Preferred Stock or shares of Common Stock or other securities issued on account of Convertible Preferred Stock pursuant hereto or certificates evidencing such shares or securities. However, in the case of conversion of Convertible Preferred Stock, the Company shall not be required to pay any such tax that may be payable in respect of any transfer involved in the issuance or delivery of shares of Convertible Preferred Stock, shares of Common Stock or other securities to a beneficial owner other than the beneficial owner of the Convertible Preferred Stock immediately prior to such conversion, and shall not be required to make any such issuance, delivery or payment unless and until the Person otherwise entitled to such issuance, delivery or payment has paid to the Company the amount of any such tax or has established, to the satisfaction of the Company, that such tax has been paid or is not payable.

Section 13. **TERM.** Except as expressly provided in this Certificate of Designations, the shares of Convertible Preferred Stock shall not be redeemable or otherwise mature and the term of the Convertible Preferred Stock shall be perpetual.

Section 14. **CALCULATIONS.**

(a) *Responsibility; Schedule of Calculations.* Except as otherwise provided in this Certificate of Designations, the Company will be responsible for making all calculations called for under this Certificate of Designations or the Convertible Preferred Stock, including determinations of the Conversion Price, the Last Reported Sale Prices and accumulated Regular Dividends, whether or not declared, on the Convertible Preferred Stock. The Company will make all

calculations in good faith, and, absent manifest error, its calculations will be final and binding on all Holders. The Company will provide a schedule of such calculations to any Holder upon written request.

(b) *Calculations Aggregated for Each Holder.* The composition of the Conversion Consideration due upon conversion of the Convertible Preferred Stock of any Holder will be computed based on the total number of shares of Convertible Preferred Stock of such Holder being converted with the same Conversion Date. For these purposes, any cash amounts due to such Holder in respect thereof will be rounded to the nearest cent.

Section 15. NOTICES. The Company will send all notices or communications to Holders pursuant to this Certificate of Designations in writing and delivered personally, by facsimile or e-mail (with confirmation of receipt requested from the recipient, in the case of e-mail), or sent by a nationally recognized overnight courier service guaranteeing next day delivery, to the Holders' respective addresses shown on the Register. Unless otherwise specified herein, all notices and communications hereunder shall be deemed to have been given upon the earlier of receipt thereof or three (3) Business Days after the mailing thereof if sent by registered or certified mail with postage prepaid, or by private courier service.

Section 16. FACTS ASCERTAINABLE. When the terms of this Certificate of Designations refers to a specific agreement or other document to determine the meaning or operation of a provision hereof, the Secretary of the Company shall maintain a copy of such agreement or document at the principal executive offices of the Company and a copy thereof shall be provided free of charge to any Holder who makes a request therefor. The Secretary of the Company shall also maintain a written record of the Initial Issue Date, the number of shares of Convertible Preferred Stock issued to a Holder and the date of each such issuance, and shall furnish such written record free of charge to any Holder who makes a request therefor.

Section 17. WAIVER. Notwithstanding any provision in this Certificate of Designations to the contrary, any provision contained herein and any right of the Holders of Convertible Preferred Stock granted hereunder may be waived as to all shares of Convertible Preferred Stock (and the Holders thereof) upon the vote or written consent of the Majority Holders.

Section 18. SEVERABILITY. If any term of the Convertible Preferred Stock set forth herein is invalid, unlawful or incapable of being enforced by reason of any rule of law or public policy, all other terms set forth herein which can be given effect without the invalid, unlawful or unenforceable term will, nevertheless, remain in full force and effect, and no term herein set forth will be deemed dependent upon any other such term unless so expressed herein.

Section 19. NO OTHER RIGHTS. The Convertible Preferred Stock will have no rights, preferences or voting powers except as provided in this Certificate of Designations or the Certificate of Incorporation or as required by applicable law.

REGISTRATION RIGHTS AGREEMENT

This REGISTRATION RIGHTS AGREEMENT (this “**Agreement**”) is entered into as of December 11, 2020, by and between FireEye, Inc., a Delaware corporation (including its successors and permitted assigns, the “**Company**”), and Blackstone Delta Holdings DE L.P., a Delaware limited partnership (formerly known as BTO Delta Holdings DE L.P.) (the “**Investor**”). Capitalized terms used but not defined elsewhere herein are defined in Exhibit A.

This Agreement is entered into in connection with the closing of the issuance of 370,000 shares of Series A Convertible Preferred Stock, which are convertible into shares of Common Stock, pursuant to the Securities Purchase Agreement, dated as of November 18, 2020, as amended by that certain Amendment to the Securities Purchase Agreement, dated as of December 11, 2020, by and between the Company and the Investor (the “**Securities Purchase Agreement**”).

As a condition to each of the parties’ obligations under the Securities Purchase Agreement, the Company and the Investor are entering into this Agreement for the purpose of granting certain registration rights to the Investor.

In consideration of the promises and the mutual representations, warranties, covenants and agreements contained herein, and for other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the parties agree as follows:

ARTICLE I RESALE SHELF REGISTRATION

Section 1.1 Resale Shelf Registration Statement. Subject to the other applicable provisions of this Agreement, the Company shall file within ninety (90) days of the date hereof and use its commercially reasonable efforts to cause to go effective as promptly as practicable a registration statement covering the sale or distribution from time to time by the Holders, on a delayed or continuous basis pursuant to Rule 415 of the Securities Act of all of the Registrable Securities on Form S-3 (except if the Company is not then eligible to register for resale the Registrable Securities on Form S-3, then such registration shall be on another appropriate form (including Form S-1) and shall provide for the registration of such Registrable Securities for resale by such Holders in accordance with any reasonable method of distribution elected by the Holders) (the “**Resale Shelf Registration Statement**” and such registration, the “**Resale Shelf Registration**”), and if the Company is a WKSI as of the filing date, the Resale Shelf Registration Statement shall be an Automatic Shelf Registration Statement. If the Resale Shelf Registration Statement is not an Automatic Shelf Registration Statement, then the Company shall use its commercially reasonable efforts to cause such Resale Shelf Registration Statement to be declared effective by the Commission as promptly as practicable after the filing thereof.

Notwithstanding the foregoing, if the Commission prevents the Company from including any or all of the Registrable Securities on the Resale Shelf Registration Statement due to limitations on the use of Rule 415 of the Securities Act for the resale of the Registrable Securities by the Holders, the Resale Shelf Registration Statement shall register the resale of a number of shares of the Registrable Securities which is equal to the maximum number of shares as is permitted by the Commission, and, subject to the provisions of this Section 1.1, the Company shall continue to its use commercially reasonable efforts to register all remaining

Registrable Securities as set forth in this Section 1.1. In such event, the number of shares of Registrable Securities to be registered for each Holder in the Resale Shelf Registration Statement shall be reduced pro rata among all Holders, provided, however, that, prior to reducing the number of shares of Registrable Securities to be registered for any Holder in such Resale Shelf Registration Statement, the Company shall first remove any shares of Registrable Securities to be registered for any Person other than a Holder that was proposed to be included in such Resale Shelf Registration Statement. The Company shall continue to use its commercially reasonable efforts to register all remaining Registrable Securities as promptly as practicable in accordance with the applicable rules, regulations and guidance of the Commission. Notwithstanding anything herein to the contrary, if the Commission, by written comment, limits the Company's ability to file, or prohibits or delays the filing of, a Resale Shelf Registration Statement or a Subsequent Shelf Registration with respect to any or all the Registrable Securities, the Company's compliance with such limitation, prohibition or delay solely to the extent of such limitation, prohibition or delay shall not be a breach or default by the Company under this Agreement and shall not be deemed a failure by the Company to use "commercially reasonable efforts" or "reasonable efforts" as set forth above or elsewhere in this Agreement.

Section 1.2 Effectiveness Period. Once effective, the Company shall, subject to the other applicable provisions of this Agreement, use its commercially reasonable efforts to cause the Resale Shelf Registration Statement or a Subsequent Shelf Registration to be continuously effective and usable for so long as any Registrable Securities remain outstanding (the "**Effectiveness Period**").

Section 1.3 Subsequent Shelf Registration. If any Shelf Registration ceases to be effective under the Securities Act for any reason at any time during the Effectiveness Period, the Company shall use its commercially reasonable efforts to promptly cause such Shelf Registration to again become effective under the Securities Act (including obtaining the prompt withdrawal of any order suspending the effectiveness of such Shelf Registration), and in any event shall within thirty (30) days of such cessation of effectiveness, amend such Shelf Registration in a manner reasonably expected to obtain the withdrawal of any order suspending the effectiveness of such Shelf Registration or, file an additional registration statement (a "**Subsequent Shelf Registration**") for an offering to be made on a delayed or continuous basis pursuant to Rule 415 of the Securities Act registering the resale from time to time by Holders thereof of all securities that are Registrable Securities as of the time of such filing. If a Subsequent Shelf Registration is filed, the Company shall use its commercially reasonable efforts to (a) cause such Subsequent Shelf Registration to become effective under the Securities Act as promptly as is reasonably practicable after such filing, but in no event later than the date that is ninety (90) days after such Subsequent Shelf Registration is filed and (b) keep such Subsequent Shelf Registration (or another Subsequent Shelf Registration) continuously effective until the end of the Effectiveness Period. Any such Subsequent Shelf Registration shall be a Registration Statement on Form S-3 to the extent that the Company is eligible to use such form, and if the Company is a WKSI as of the filing date, such Registration Statement shall be an Automatic Shelf Registration Statement. Otherwise, such Subsequent Shelf Registration shall be on another appropriate form (including Form S-1) and shall provide for the registration of such Registrable Securities for resale by such Holders in accordance with any reasonable method of distribution elected by the Holders.

Section 1.4 Supplements and Amendments. The Company shall supplement and amend any Shelf Registration if required by the rules, regulations or instructions applicable to the registration form used by the Company for such Shelf Registration if required by the Securities Act or as reasonably requested by the Holders covered by such Shelf Registration.

Section 1.5 Subsequent Holder Notice. If a Person becomes a Holder of Registrable Securities after a Shelf Registration becomes effective under the Securities Act, the Company shall, as promptly as is reasonably practicable following delivery of written notice to the Company of such Person becoming a Holder and requesting for its name to be included as a selling securityholder in the prospectus related to the Shelf Registration (a “**Subsequent Holder Notice**”):

(a) if required and permitted by applicable law, file with the Commission a supplement to the related prospectus or a post-effective amendment to the Shelf Registration so that such Holder is named as a selling securityholder in the Shelf Registration and the related prospectus in such a manner as to permit such Holder to deliver a prospectus to purchasers of the Registrable Securities in accordance with applicable law;

(b) if, pursuant to Section 1.5(a), the Company shall have filed a post-effective amendment to the Shelf Registration that is not automatically effective, use its commercially reasonable efforts to cause such post-effective amendment to become effective under the Securities Act as promptly as is reasonably practicable, but in any event by the date that is ninety (90) days after the date such post-effective amendment is required by Section 1.5(a) to be filed; and

(c) notify such Holder as promptly as is reasonably practicable after the effectiveness under the Securities Act of any post-effective amendment filed pursuant to Section 1.5(a).

Section 1.6 Underwritten Offering. The Holders of Registrable Securities may on up to four (4) occasions after the Resale Shelf Registration Statement becomes effective deliver a written notice to the Company specifying that the sale of some or all of the Registrable Securities subject to the Shelf Registration is intended to be conducted through an underwritten offering, so long as the anticipated gross proceeds of such underwritten offering is not less than twenty-five million dollars (\$25,000,000) (unless the Holders are proposing to sell all of their remaining Registrable Securities in which case no such minimum gross proceeds threshold shall apply) (the “**Underwritten Offering**”). In the event of an Underwritten Offering:

(a) The Holder or Holders of a majority of the Registrable Securities participating in an Underwritten Offering shall select the managing underwriter or underwriters to administer the Underwritten Offering; provided that such Holder or Holders will not make the choice of such managing underwriter or underwriters without first consulting with the Company.

(b) Notwithstanding any other provision of this Section 1.6, if the managing underwriter or underwriters of a proposed Underwritten Offering advises the Board of Directors of the Company that in its or their opinion the number of Registrable Securities requested to be included in such Underwritten Offering exceeds the number which can be sold in such

Underwritten Offering in light of market conditions, the Registrable Securities shall be included on a pro rata basis upon the number of securities that each Holder shall have requested to be included in such offering. If any Holder disapproves of the terms of any such underwriting, such Holder may elect to withdraw therefrom by written notice to the Company and the managing underwriter or underwriters.

(c) The Company shall agree and shall cause its executive officers and directors to sign a customary “lock-up” agreement with the underwriters in any Underwritten Offering.

Section 1.7 Take-Down Notice. Subject to the other applicable provisions of this Agreement, at any time that any Resale Shelf Registration Statement is effective, if a Holder delivers a notice to the Company (a “**Take-Down Notice**”) stating that it intends to effect a sale or distribution of all or part of its Registrable Securities included by it on any Resale Shelf Registration Statement (a “**Shelf Offering**”) and stating the number of Registrable Securities to be included in such Shelf Offering, then, subject to the other applicable provisions of this Agreement, the Company shall, as promptly as practicable, amend or supplement the Resale Shelf Registration Statement as may be necessary in order to enable such Registrable Securities to be sold and distributed pursuant to the Shelf Offering.

ARTICLE II COMPANY REGISTRATION

Section 2.1 Notice of Registration. If at any time or from time to time the Company shall determine to file a registration statement with respect to an offering (or to make an underwritten public offering pursuant to a previously filed registration statement) of its Common Stock, whether or not for its own account (other than a registration statement on Form S-4, Form S-8 or any successor forms), the Company will:

(a) promptly give to each Holder written notice thereof, which notice shall be given, to the extent reasonably practicable, no later than five (5) business days prior to the filing or launch date (except in the case of an offering that is an “overnight offering”, in which case such notice must be given no later than two (2) business days prior to the filing or launch date); and

(b) subject to Section 2.2, include in such registration or underwritten offering (and any related qualification under blue sky laws or other compliance) all the Registrable Securities specified in a written request or requests made within three (3) business days after receipt of such written notice from the Company by any Holder (except in the case of an offering that is an “overnight offering”, in which case such request must be made no later than one (1) business day after receipt of such written notice from the Company).

Section 2.2 Underwriting. The right of any Holder to registration pursuant to Section 1.6 or this Article II shall be conditioned upon such Holder’s participation in such underwriting and the inclusion of Registrable Securities in the underwriting to the extent provided herein. Each Holder proposing to distribute its securities through such underwriting shall (together with the Company and the other holders distributing their securities through such

underwriting) enter into and perform such Holder's obligations under an underwriting agreement with the managing underwriter selected for such underwriting by the Company or by the stockholders of the Company who have the right to select the underwriters (such underwriting agreement to be in a customary form negotiated by the Company or such stockholders, as the case may be). Notwithstanding any other provision of this Article II, if the managing underwriter or underwriters of a proposed underwritten offering with respect to which Holders of Registrable Securities have exercised their piggyback registration rights advise the Board of Directors of the Company that in its or their opinion the number of Registrable Securities requested to be included in the offering thereby and all other securities proposed to be sold in the offering exceeds the number which can be sold in such underwritten offering in light of market conditions, the Registrable Securities and such other securities to be included in such underwritten offering shall be allocated, (a) first, in the event such offering was initiated by the Company for its own account, up to the total number of securities that the Company has requested to be included in such registration, (b) second, and only if all the securities referred to in clause (a) have been included, up to the total number of securities that the Holders have requested to be included in such offering (pro rata based upon the number of securities that each of them shall have requested to be included in such offering) and (c) third, and only if all the securities referred to in clause (b) have been included, all other securities proposed to be included in such offering that, in the opinion of the managing underwriter or underwriters can be sold without having such adverse effect. If any Holder disapproves of the terms of any such underwriting, such Holder may elect to withdraw therefrom by written notice to the Company and the managing underwriter or underwriters. Any securities excluded or withdrawn from such underwriting shall be withdrawn from such registration.

Section 2.3 Right to Terminate Registration. The Company or the holders of securities who have caused a registration statement to be filed as contemplated by this Article II, as the case may be, shall have the right to have any registration initiated by it or them under this Article II terminated or withdrawn prior to the effectiveness thereof, whether or not any Holder has elected to include securities in such registration.

ARTICLE III ADDITIONAL PROVISIONS REGARDING REGISTRATION RIGHTS

Section 3.1 Registration Procedures. In the case of each registration effected by the Company pursuant to Article I or II, the Company will keep each Holder participating in such registration reasonably informed as to the status thereof and, at its expense, the Company will, as expeditiously as possible to the extent applicable:

(a) prepare and file, as promptly as reasonably practicable, with the Commission a registration statement with respect to such securities in accordance with the applicable provisions of this Agreement;

(b) prepare and file, as promptly as reasonably practicable, with the Commission such amendments, including post-effective amendments, and supplements to such registration statement and the prospectus used in connection with such registration statement as may be necessary to comply with the provisions of the Securities Act with respect to the disposition of all securities covered by such registration statement (including to permit the intended method of distribution thereof) and as may be necessary to keep the registration statement continuously effective for the period set forth in this Agreement;

(c) furnish to the Holders participating in such registration and to their legal counsel copies of the registration statement proposed to be filed, and provide such Holders and their legal counsel the reasonable opportunity to review and comment on such registration statement;

(d) furnish to the Holders participating in such registration and to the underwriters of the securities being registered such reasonable number of copies of the registration statement, preliminary prospectus and final prospectus as the such underwriters may reasonably request in order to facilitate the public offering of such securities;

(e) use commercially reasonable efforts to notify each Holder of Registrable Securities covered by such registration statement at any time when a prospectus relating thereto is required to be delivered under the Securities Act of the Company's knowledge of the happening of any event as a result of which the prospectus included in such registration statement, as then in effect, includes an untrue statement of a material fact or omits to state a material fact required to be stated therein or necessary to make the statements therein not misleading or incomplete in the light of the circumstances then existing, and, subject to Section 3.1(n), at the request of any such Holder, prepare promptly and furnish to such Holder a reasonable number of copies of a supplement to or an amendment of such prospectus as may be necessary so that, as thereafter delivered to the purchaser of such shares, such prospectus shall not include an untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein not misleading or incomplete in the light of the circumstances then existing;

(f) use commercially reasonable efforts to register and qualify the securities covered by such registration statement under such other securities or blue sky laws of such jurisdictions as shall be reasonably requested by the Holders; provided, however, that the Company shall not be required in connection therewith or as a condition thereto to qualify to do business or to file a general consent to service of process in any such states or jurisdictions in which it is not already qualified;

(g) in the event that the Registrable Securities are being offered in an underwritten public offering, enter into and perform its obligations under an underwriting agreement on customary terms and in accordance with the applicable provisions of this Agreement;

(h) use commercially reasonable efforts to furnish, (i) on the date that such Registrable Securities are delivered to the underwriters for sale, if such securities are being sold through underwriters, an opinion and negative assurance letter, dated as of such date, of the legal counsel representing the Company for the purposes of such registration, in form and substance as is customarily given to underwriters in an underwritten public offering, addressed to the underwriters, if any, and (ii) on the date that the offering of such Registrable Securities is priced and on the date that such securities are being sold through underwriters, a letter dated as of such date, from the independent certified public accountants of the Company, in form and substance as is customarily given by independent certified public accountants to underwriters in an underwritten public offering, addressed to the underwriters;

(i) in connection with a customary due diligence review, make available during business hours for inspection by the Holders, any underwriter participating in any such disposition of Registrable Securities, if any, and any counsel or accountants retained by the Holders or underwriter, all relevant financial and other records, pertinent corporate documents and properties of the Company and its subsidiaries, and cause the officers, directors and employees of the Company and its subsidiaries to supply all relevant information and participate in customary due diligence sessions in each case reasonably requested by any such representative, underwriter, counsel or accountant in connection with such registration statement, provided, however, each such underwriter shall agree in writing to hold in strict confidence and not to make any disclosure or use of any information requested above (the “**Requested Information**”), unless (1) the disclosure of the Requested Information is necessary to avoid or correct a misstatement or omission in such registration or is otherwise required under the Securities Act, (2) the release of the Requested Information is ordered pursuant to a final, non-appealable subpoena or order from a court or government body of competent jurisdiction, (3) the Requested Information is or has been made generally available to the public other than by disclosure in violation of this Agreement, (4) the Requested Information was within such underwriter’s possession on a non-confidential basis prior to it being furnished to such underwriter by or on behalf of the Company or any of its representatives, provided that the source of such information was not bound by a confidentiality agreement or other contractual, legal or fiduciary obligation of confidentiality with respect to such information or (5) the Requested Information becomes available to such underwriter on a non-confidential basis from a source other than the Company or any of its representatives, provided that such source is not bound by a confidentiality agreement or other contractual, legal or fiduciary obligation of confidentiality with respect to such information. Such underwriter agrees that it shall, upon learning that disclosure of the Requested Information is sought in or by a court or governmental body of competent jurisdiction or through other means, give prompt notice to the Company and allow the Company, at the Company’s expense, to undertake appropriate action to prevent disclosure of, or to obtain a protective order for, the Requested Information deemed confidential;

(j) in the event that any broker-dealer underwrites any Registrable Securities or participates as a member of an underwriting syndicate or selling group or “participates in an offering” (within the meaning of the FINRA Rules) thereof, whether as a Holder or as an underwriter, placement, sales agent or broker or dealer in respect thereof, or otherwise, the Company will, upon the reasonable request of such broker-dealer, comply with any reasonable request of such broker-dealer in complying with the FINRA Rules;

(k) notwithstanding any other provision of this Agreement, if the Board of Directors of the Company has determined in good faith that the disclosure necessary for continued use of the prospectus and registration statement by the Holders could be materially detrimental to the Company, the Company shall have the right not to file or not to cause the effectiveness of any registration covering any Registrable Securities and to suspend the use of the prospectus and the registration statement covering any Registrable Security for such period of time as its use would be materially detrimental to the Company by delivering written notice of such suspension to all Holders listed on the Company’s records; provided, however, that in any

12-month period the Company may exercise the right to such suspension not more than four times. From and after the date of a notice of suspension under this Section 3.1(k), each Holder agrees not to use the prospectus or registration statement until the earlier of (i) notice from the Company that such suspension has been lifted or (ii) the day following the sixtieth (60th) day of suspension within any 12-month period;

(l) cooperate with, and direct the Company's transfer agent to cooperate with, the Holders and the managing underwriters, if any, to facilitate the timely settlement of any offering or sale of Registrable Securities, including the preparation and delivery of certificates or book-entry representing Registrable Securities to be sold together with any other authorizations, certificates, opinions and directions required by the transfer agent which authorize and direct the transfer agent to issue such Registrable Securities without restriction upon sale by the holder of such shares of Registrable Securities;

(m) use its reasonable best efforts to cause all shares of Registrable Securities to be listed on the national securities exchange on which the Common Stock is then listed; and

(n) cause its officers to use their reasonable best efforts to support the marketing of the Registrable Securities (including, without limitation, participation in "road shows" and other customary marketing activities, which may be virtual).

Section 3.2 Limitation on Subsequent Registration Rights. From and after the date hereof, the Company shall not enter into any agreement granting any holder or prospective holder of any securities of the Company registration rights with respect to such securities that conflict with the rights granted to the Holders herein, without the prior written consent of Holders of a majority of the Registrable Securities.

Section 3.3 Expenses of Registration. All Registration Expenses incurred in connection with any registration pursuant to this Agreement or otherwise in complying with this Agreement shall be borne by the Company. All Selling Expenses relating to securities registered on behalf of the Holders shall be borne by the Holders of the registered securities included in such registration.

Section 3.4 Information by Holders. The Holder or Holders of Registrable Securities included in any registration shall furnish to the Company such information regarding such Holder or Holders, the Registrable Securities held by them and the distribution proposed by such Holder or Holders as the Company may reasonably request in writing and as shall be required in connection with any registration, qualification or compliance referred to in this Agreement. It is understood and agreed that the obligations of the Company under Article I or II are conditioned on the timely provisions of the foregoing information by such Holder or Holders and, without limitation of the foregoing, will be conditioned on compliance by such Holder or Holders with the following:

(a) such Holder or Holders will cooperate with the Company in connection with the preparation of the applicable registration statement, and for so long as the Company is obligated to keep such registration statement effective, such Holder or Holders will provide to the Company, in writing and in a timely manner, for use in such registration statement (and

expressly identified in writing as such), all information regarding themselves and such other information as may be required by applicable law to enable the Company to prepare such registration statement and the related prospectus covering the applicable Registrable Securities owned by such Holder or Holders and to maintain the currency and effectiveness thereof;

(b) during such time as such Holder or Holders may be engaged in a distribution of the Registrable Securities, such Holder or Holders will comply with all laws applicable to such distribution, including Regulation M promulgated under the Exchange Act, and, to the extent required by such laws, will, among other things: (i) not engage in any stabilization activity in connection with the securities of the Company in contravention of such laws and (ii) if required by applicable law, cause to be furnished to each agent or broker-dealer to or through whom such Registrable Securities may be offered, or to the offeree if an offer is made directly by such Holder or Holders, such copies of the applicable prospectus (as amended and supplemented to such date) and documents incorporated by reference therein as may be required by such agent, broker-dealer or offeree; and

(c) on receipt of written notice from the Company of the happening of any of the events specified in Section 3.1(k), or that requires the suspension by such Holder or Holders of the distribution of any of the Registrable Securities owned by such Holder or Holders pursuant to a registered offering, then such Holders shall cease offering or distributing the Registrable Securities owned by such Holder or Holders in a registered offering until the offering and distribution of the Registrable Securities owned by such Holder or Holders may recommence in accordance with the terms hereof and applicable law.

Section 3.5 Rule 144 Reporting. With a view to making available the benefits of Rule 144 to the Holders, the Company will use commercially reasonable efforts to:

(a) file with the Commission in a timely manner all reports and other documents required of the Company under the Exchange Act; and

(b) so long as a Holder owns any Restricted Securities, furnish to the Holder forthwith upon written request a written statement by the Company as to its compliance with the reporting requirements of the Exchange Act.

Section 3.6 "Market Stand-Off" Agreement. The Holders shall not sell, transfer, make any short sale of, grant any option for the purchase of, or enter into any hedging or similar transaction with the same economic effect as a sale with respect to, any Common Stock (or other securities of the Company) held by the Holders (other than those included in the registration) for a period specified by the representatives of the managing underwriter or underwriters of Common Stock (or other securities of the Company convertible into Common Stock) not to exceed five (5) days prior and ninety (90) days following any registered public sale of securities by the Company in which such Holder participates in accordance with Article II, subject to customary exceptions (including, without limitation, to the extent that any securities of the Company are subject to a Permitted Loan (as defined in the Securities Purchase Agreement), to permit the pledge of such securities pursuant to such Permitted Loan and any foreclosure in connection with such Permitted Loan, or transfer in lieu of a foreclosure thereunder, and subsequent sales, dispositions or other transfers). Each of the Holders also shall execute and

deliver any “lock-up” agreement reasonably requested by the representatives of any underwriters of the Company in connection with an offering in which such Holder participates, subject to customary exceptions (including, without limitation, as described in the preceding sentence in respect of pledges and foreclosures).

Section 3.7 Discontinuation of Registration. Notwithstanding anything to the contrary in this Agreement, the Company may discontinue any registration of its securities which are not Registrable Securities at any time prior to the effective date of the registration statement relating thereto.

ARTICLE IV INDEMNIFICATION

Section 4.1 Indemnification by Company. To the extent permitted by applicable law, the Company will, with respect to any Registrable Securities as to which registration or qualification or compliance under applicable “blue sky” laws has been effected pursuant to this Agreement, indemnify each Holder, each Holder’s current and former officers, directors, partners, members, managers, shareholders, accountants, attorneys, agents and employees, and each Person controlling such Holder or any of the foregoing within the meaning of Section 15 of the Securities Act, and each underwriter thereof, if any, and each Person who controls any such underwriter within the meaning of Section 15 of the Securities Act (collectively, the “**Company Indemnified Parties**”), against all expenses, claims, losses, damages, costs (including costs of preparation and reasonable attorney’s fees and any legal or other fees or expenses actually incurred by such party in connection with any investigation or proceeding), judgments, fines, penalties, charges, amounts paid in settlement and other liabilities, joint or several (or actions in respect thereof) arising out of or based on any untrue statement (or alleged untrue statement) of a material fact contained in any registration statement, prospectus, preliminary prospectus, offering circular or other document, or any amendment or supplement thereto incident to any such registration, qualification or compliance or based on any omission (or alleged omission) to state therein a material fact required to be stated therein or necessary to make the statements therein, in light of the circumstances in which they were made, not misleading, or any violation by the Company of, or any rule or regulation promulgated under, the Securities Act, Exchange Act or state securities laws applicable to the Company in connection with any such registration, and the Company will reimburse each of the Company Indemnified Parties for any reasonable legal and any other expenses reasonably incurred in connection with investigating, preparing or defending any such claim, loss, damage, liability or action, as such expenses are incurred. The indemnity agreement contained in this Section 4.1 shall not apply to amounts paid in settlement of any loss, claim, damage, liability or action if such settlement is effected without the prior written consent of the Company (which consent shall not be unreasonably withheld or delayed), nor shall the Company be liable to a Holder in any such case for any such loss, claim, damage, liability or action (a) to the extent that it arises out of or is based upon a violation or alleged violation of any state or federal law (including any claim arising out of or based on any untrue statement or alleged untrue statement or omission or alleged omission in the registration statement or prospectus) which occurs in reliance upon and in conformity with written information furnished expressly for use in connection with such registration by or on behalf of any Holder or (b) in the case of a sale directly by a Holder of Registrable Securities (including a sale of such Registrable Securities through any underwriter retained by such Holder engaging in a distribution solely on

behalf of such Holder), such untrue statement or alleged untrue statement or omission or alleged omission was corrected in a final or amended prospectus, and such Holder failed to deliver a copy of the final or amended prospectus at or prior to the confirmation of the sale of the Registrable Securities to the Person asserting any such loss, claim, damage or liability in any case in which such delivery is required by the Securities Act.

Section 4.2 Indemnification by Holders. To the extent permitted by applicable law, each Holder will, if Registrable Securities held by such Holder are included in the securities as to which such registration or qualification or compliance under applicable “blue sky” laws is being effected, indemnify, severally and not jointly, the Company, each of its directors, officers, partners, members, managers, shareholders, accountants, attorneys, agents and employees, each underwriter, if any, of the Company’s securities covered by such a registration, each Person who controls the Company or such underwriter within the meaning of Section 15 of the Securities Act, and each other Holder and each of such other Holder’s officers, directors, partners, members, managers, shareholders, accountants, attorneys, agents and employees and each Person controlling such Holder or any of the foregoing within the meaning of Section 15 of the Securities Act (collectively, the “**Holder Indemnified Parties**”), against all expenses, claims, losses, damages, costs (including costs of preparation and reasonable attorney’s fees and any legal or other fees or expenses actually incurred by such party in connection with any investigation or proceeding), judgments, fines, penalties, charges, amounts paid in settlement and other and liabilities (or actions in respect thereof) arising out of or based on any untrue statement (or alleged untrue statement) of a material fact contained in any registration statement, prospectus, preliminary prospectus, offering circular or other document, or any amendment or supplement thereto incident to any such registration, qualification or compliance or based on any omission (or alleged omission) to state therein a material fact required to be stated therein or necessary to make the statements therein, in light of the circumstances in which they were made, not misleading, or any violation by such Holder of, or any rule or regulation promulgated under, the Securities Act, Exchange Act or state securities law applicable to such Holder, and will reimburse each of the Holder Indemnified Parties for any reasonable legal or any other expenses reasonably incurred in connection with investigating, preparing or defending any such claim, loss, damage, liability or action, as such expenses are incurred, in each case to the extent, but only to the extent, that such untrue statement (or alleged untrue statement) or omission (or alleged omission) is made in such registration statement, prospectus, offering circular or other document in reliance upon and in conformity with written information furnished to the Company by such Holder and stated to be specifically for use therein, provided, however, that in no event shall any indemnity under this Section 4.2 payable by a Holder exceed the amount by which the net proceeds actually received by such Holder from the sale of Registrable Securities included in such registration exceeds the amount of any other losses, expenses, settlements, damages, claims and liabilities that such Holder has been required to pay by reason of such untrue or alleged untrue statement or omission or alleged omission or violation. The indemnity agreement contained in this Section 4.2 shall not apply to amounts paid in settlement of any loss, claim, damage, liability or action if such settlement is effected without the prior written consent of the applicable Holder (which consent shall not be unreasonably withheld or delayed), nor shall the Holder be liable for any such loss, claim, damage, liability or action where such untrue statement or alleged untrue statement or omission or alleged omission was corrected in a final or amended prospectus, and the Company or the underwriters failed to deliver a copy of the final or amended prospectus at or prior to the confirmation of the sale of the Registrable Securities to the Person asserting any such loss, claim, damage or liability in any case in which such delivery is required by the Securities Act

Section 4.3 Notification. Each party entitled to indemnification under this Article IV (the “**Indemnified Party**”) shall give notice to the party required to provide indemnification (the “**Indemnifying Party**”) promptly after such Indemnified Party has actual knowledge of any claim as to which indemnity may be sought, and shall permit the Indemnifying Party to assume the defense of any such claim or any litigation resulting therefrom, provided, however, that counsel for the Indemnifying Party, who shall conduct the defense of such claim or litigation, shall be approved by the Indemnified Party (whose approval shall not unreasonably be withheld or delayed), and the Indemnified Party may participate in such defense at such party’s expense; provided, further, however, that an Indemnified Party (together with all other Indemnified Parties) shall have the right to retain one (1) separate counsel, with the reasonable fees and expenses to be paid by the Indemnifying Party, if representation of such Indemnified Party by the counsel retained by the Indemnifying Party would be inappropriate due to conflicting interests between such Indemnified Party and any other party represented by such counsel in such proceeding. The failure of any Indemnified Party to give notice as provided herein shall relieve the Indemnifying Party of its obligations under this Article IV, only to the extent that, the failure to give such notice is materially prejudicial or harmful to an Indemnifying Party’s ability to defend such action. No Indemnifying Party, in the defense of any such claim or litigation, shall, except with the prior written consent of each Indemnified Party (which consent shall not be unreasonably withheld or delayed), consent to entry of any judgment or enter into any settlement which does not include as an unconditional term thereof the giving by the claimant or plaintiff to such Indemnified Party of a release from all liability in respect to such claim or litigation. The indemnity agreements contained in this Article IV shall not apply to amounts paid in settlement of any loss, claim, damage, liability or action if such settlement is effected without the prior written consent of the Indemnifying Party, which consent shall not be unreasonably withheld or delayed. The indemnification set forth in this Article IV shall be in addition to any other indemnification rights or agreements that an Indemnified Party may have.

Section 4.4 Contribution. If the indemnification provided for in this Article IV is held by a court of competent jurisdiction to be unavailable to an Indemnified Party, other than pursuant to its terms, with respect to any claim, loss, damage, liability or action referred to therein, then, subject to the limitations contained in Article IV, the Indemnifying Party, in lieu of indemnifying such Indemnified Party hereunder, shall contribute to the amount paid or payable by such Indemnified Party as a result of such claim, loss, damage, liability or action in such proportion as is appropriate to reflect the relative fault of the Indemnifying Party on the one hand and the Indemnified Party on the other in connection with the actions that resulted in such claims, loss, damage, liability or action, as well as any other relevant equitable considerations. The relative fault of the Indemnifying Party and of the Indemnified Party shall be determined by reference to, among other things, whether the untrue or alleged untrue statement of a material fact or the omission to state a material fact related to information supplied by the Indemnifying Party or by the Indemnified Party and the parties’ relative intent, knowledge, access to information and opportunity to correct or prevent such statement or omission. The Company and the Holders agree that it would not be just and equitable if contribution pursuant to this Section 4.4 were based solely upon the number of entities from whom contribution was requested or by any other method of allocation which does not take account of the equitable

considerations referred to above in this Section 4.4. In no event shall any Holder's contribution obligation under this Section 4.4 exceed the amount by which the net proceeds actually received by such Holder from the sale of Registrable Securities included in such registration exceeds the amount of any other losses, expenses, settlements, damages, claims and liabilities that such Holder has been required to pay by reason of such untrue or alleged untrue statement or omission or alleged omission or violation. No Person guilty of fraudulent misrepresentation (within the meaning of the Securities Act) shall be entitled to contribution from any Person who was not guilty of such fraudulent misrepresentation.

ARTICLE V

Section 5.1 Transfer of Registration Rights. The rights to cause the Company to register securities granted to a Holder under this Agreement may be assigned to any Person in connection with any Transfer (as defined in the Securities Purchase Agreement) or assignment of Registrable Securities to in a Transfer permitted by Section 4.2 of the Securities Purchase Agreement; provided, however, that (a) such transfer may otherwise be effected in accordance with applicable securities laws, (b) prior written notice of such assignment is given to the Company, and (c) such transferee agrees in writing to be bound by, and subject to, this Agreement as a "Holder" pursuant to a written instrument in form and substance reasonably acceptable to the Company.

ARTICLE VI

(c) Such Persons further covenant not to bring a proceeding with respect to the Applicable Matters (or that could affect any Applicable Matter) other than in such Chosen Court and not to challenge or enforce in another jurisdiction a judgment of such Chosen Court.

(d) Process in any such proceeding may be served on any Person with respect to such Applicable Matters anywhere in the world, whether within or without the jurisdiction of any such Chosen Court. Without limiting the foregoing, each such Person agrees that service of process on such party as provided in Section 6.5 shall be deemed effective service of process on such Person.

(e) Waiver of Jury Trial. EACH PARTY HERETO, FOR ITSELF AND ITS AFFILIATES, HEREBY IRREVOCABLY AND UNCONDITIONALLY WAIVES TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW ALL RIGHT TO TRIAL BY JURY IN ANY ACTION, SUIT OR OTHER PROCEEDING (WHETHER BASED ON CONTRACT, TORT OR OTHERWISE) ARISING OUT OF OR RELATING TO THE ACTIONS OF THE PARTIES HERETO OR THEIR RESPECTIVE AFFILIATES PURSUANT TO THIS AGREEMENT OR IN THE NEGOTIATION, ADMINISTRATION, PERFORMANCE OR ENFORCEMENT HEREOF.

Any party hereto may, only by an instrument in writing, waive compliance by any other party or parties hereto with any term or provision hereof on the part of such other party or parties hereto to be performed or complied with. No failure or delay of any party in exercising any right or remedy hereunder shall operate as a waiver thereof, nor will any single or partial exercise of any right or power, or any abandonment or discontinuance of steps to enforce such right or power, preclude any other or further exercise thereof or the exercise of any other right or power. (b) With regard to each and every term and condition of this Agreement, the parties hereto understand and agree that the same have or has been mutually negotiated, prepared and drafted, and if at any time the parties hereto desire or are required to interpret or construe any such term or condition, no consideration will be given to the issue of which party hereto actually prepared, drafted or requested any term or condition of this Agreement.

Section 6.10 Severability. Any provision hereof that is held to be invalid, illegal or unenforceable in any respect by a court of competent jurisdiction, shall be ineffective only to the extent of such invalidity, illegality or unenforceability, without affecting in any way the

remaining provisions hereof, provided, however, that the parties will attempt in good faith to reform this Agreement in a manner consistent with the intent of any such ineffective provision for the purpose of carrying out such intent.

Capitalized terms used but not defined elsewhere herein are defined in Exhibit A.

This Agreement is entered into in connection with the closing of the issuance of 30,000 shares of Series A Convertible Preferred Stock, which are convertible into shares of Common Stock, pursuant to the Securities Purchase Agreement, dated as of November 18, 2020, as amended by that certain Amendment to the Securities Purchase Agreement, dated as of December 11, 2020, by and among the Company and the Investors (the “**Securities Purchase Agreement**”).

As a condition to each of the parties’ obligations under the Securities Purchase Agreement, the Company and the Investors are entering into this Agreement for the purpose of granting certain registration rights to the Investors.

In consideration of the promises and the mutual representations, warranties, covenants and agreements contained herein, and for other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the parties agree as follows:

ARTICLE I
RESALE SHELF REGISTRATION

Section 1.1 Resale Shelf Registration Statement. Subject to the other applicable provisions of this Agreement, the Company shall file within ninety (90) days of the date hereof and use its commercially reasonable efforts to cause to go effective as promptly as practicable a registration statement covering the sale or distribution from time to time by the Holders, on a delayed or continuous basis pursuant to Rule 415 of the Securities Act of all of the Registrable Securities on Form S-3 (except if the Company is not then eligible to register for resale the Registrable Securities on Form S-3, then such registration shall be on another appropriate form (including Form S-1) and shall provide for the registration of such Registrable Securities for resale by such Holders in accordance with any reasonable method of distribution elected by the Holders) (the “**Resale Shelf Registration Statement**” and such registration, the “**Resale Shelf Registration**”), and if the Company is a WKSI as of the filing date, the Resale Shelf Registration Statement shall be an Automatic Shelf Registration Statement. If the Resale Shelf Registration Statement is not an Automatic Shelf Registration Statement, then the Company shall use its commercially reasonable efforts to cause such Resale Shelf Registration Statement to be declared effective by the Commission as promptly as practicable after the filing thereof.

Notwithstanding the foregoing, if the Commission prevents the Company from including any or all of the Registrable Securities on the Resale Shelf Registration Statement due to limitations on the use of Rule 415 of the Securities Act for the resale of the Registrable Securities by the Holders, the Resale Shelf Registration Statement shall register the resale of a number of shares of the Registrable Securities which is equal to the maximum number of shares as is

permitted by the Commission, and, subject to the provisions of this Section 1.1, the Company shall continue to its use commercially reasonable efforts to register all remaining Registrable Securities as set forth in this Section 1.1. In such event, the number of shares of Registrable Securities to be registered for each Holder in the Resale Shelf Registration Statement shall be reduced pro rata among all Holders, provided, however, that, prior to reducing the number of shares of Registrable Securities to be registered for any Holder in such Resale Shelf Registration Statement, the Company shall first remove any shares of Registrable Securities to be registered for any Person other than a Holder that was proposed to be included in such Resale Shelf Registration Statement. The Company shall continue to use its commercially reasonable efforts to register all remaining Registrable Securities as promptly as practicable in accordance with the applicable rules, regulations and guidance of the Commission. Notwithstanding anything herein to the contrary, if the Commission, by written comment, limits the Company's ability to file, or prohibits or delays the filing of, a Resale Shelf Registration Statement or a Subsequent Shelf Registration with respect to any or all the Registrable Securities, the Company's compliance with such limitation, prohibition or delay solely to the extent of such limitation, prohibition or delay shall not be a breach or default by the Company under this Agreement and shall not be deemed a failure by the Company to use "commercially reasonable efforts" or "reasonable efforts" as set forth above or elsewhere in this Agreement.

Section 1.2 Effectiveness Period. Once effective, the Company shall, subject to the other applicable provisions of this Agreement, use its commercially reasonable efforts to cause the Resale Shelf Registration Statement or a Subsequent Shelf Registration to be continuously effective and usable for so long as any Registrable Securities remain outstanding (the "**Effectiveness Period**").

Section 1.3 Subsequent Shelf Registration. If any Shelf Registration ceases to be effective under the Securities Act for any reason at any time during the Effectiveness Period, the Company shall use its commercially reasonable efforts to promptly cause such Shelf Registration to again become effective under the Securities Act (including obtaining the prompt withdrawal of any order suspending the effectiveness of such Shelf Registration), and in any event shall within thirty (30) days of such cessation of effectiveness, amend such Shelf Registration in a manner reasonably expected to obtain the withdrawal of any order suspending the effectiveness of such Shelf Registration or, file an additional registration statement (a "**Subsequent Shelf Registration**") for an offering to be made on a delayed or continuous basis pursuant to Rule 415 of the Securities Act registering the resale from time to time by Holders thereof of all securities that are Registrable Securities as of the time of such filing. If a Subsequent Shelf Registration is filed, the Company shall use its commercially reasonable efforts to (a) cause such Subsequent Shelf Registration to become effective under the Securities Act as promptly as is reasonably practicable after such filing, but in no event later than the date that is ninety (90) days after such Subsequent Shelf Registration is filed and (b) keep such Subsequent Shelf Registration (or another Subsequent Shelf Registration) continuously effective until the end of the Effectiveness Period. Any such Subsequent Shelf Registration shall be a Registration Statement on Form S-3 to the extent that the Company is eligible to use such form, and if the Company is a WKSJ as of the filing date, such Registration Statement shall be an Automatic Shelf Registration Statement. Otherwise, such Subsequent Shelf Registration shall be on another appropriate form (including Form S-1) and shall provide for the registration of such Registrable Securities for resale by such Holders in accordance with any reasonable method of distribution elected by the Holders.

Section 1.4 Supplements and Amendments. The Company shall supplement and amend any Shelf Registration if required by the rules, regulations or instructions applicable to the registration form used by the Company for such Shelf Registration if required by the Securities Act or as reasonably requested by the Holders covered by such Shelf Registration.

Section 1.5 Subsequent Holder Notice. If a Person becomes a Holder of Registrable Securities after a Shelf Registration becomes effective under the Securities Act, the Company shall, as promptly as is reasonably practicable following delivery of written notice to the Company of such Person becoming a Holder and requesting for its name to be included as a selling securityholder in the prospectus related to the Shelf Registration (a “**Subsequent Holder Notice**”):

(a) if required and permitted by applicable law, file with the Commission a supplement to the related prospectus or a post-effective amendment to the Shelf Registration so that such Holder is named as a selling securityholder in the Shelf Registration and the related prospectus in such a manner as to permit such Holder to deliver a prospectus to purchasers of the Registrable Securities in accordance with applicable law;

(b) if, pursuant to Section 1.5(a), the Company shall have filed a post-effective amendment to the Shelf Registration that is not automatically effective, use its commercially reasonable efforts to cause such post-effective amendment to become effective under the Securities Act as promptly as is reasonably practicable, but in any event by the date that is ninety (90) days after the date such post-effective amendment is required by Section 1.5(a) to be filed; and

(c) notify such Holder as promptly as is reasonably practicable after the effectiveness under the Securities Act of any post-effective amendment filed pursuant to Section 1.5(a).

Section 1.6 Underwritten Offering. The Holders of Registrable Securities may on up to four (4) occasions after the Resale Shelf Registration Statement becomes effective deliver a written notice to the Company specifying that the sale of some or all of the Registrable Securities subject to the Shelf Registration is intended to be conducted through an underwritten offering, so long as the anticipated gross proceeds of such underwritten offering is not less than twenty-five million dollars (\$25,000,000) (unless the Holders are proposing to sell all of their remaining Registrable Securities in which case no such minimum gross proceeds threshold shall apply) (the “**Underwritten Offering**”). In the event of an Underwritten Offering:

(a) The Holder or Holders of a majority of the Registrable Securities participating in an Underwritten Offering shall select the managing underwriter or underwriters to administer the Underwritten Offering; provided that such Holder or Holders will not make the choice of such managing underwriter or underwriters without first consulting with the Company.

(b) Notwithstanding any other provision of this Section 1.6, if the managing underwriter or underwriters of a proposed Underwritten Offering advises the Board of Directors of the Company that in its or their opinion the number of Registrable Securities requested to be included in such Underwritten Offering exceeds the number which can be sold in such Underwritten Offering in light of market conditions, the Registrable Securities shall be included on a pro rata basis upon the number of securities that each Holder shall have requested to be

included in such offering. If any Holder disapproves of the terms of any such underwriting, such Holder may elect to withdraw therefrom by written notice to the Company and the managing underwriter or underwriters.

(c) The Company shall agree and shall cause its executive officers and directors to sign a customary “lock-up” agreement with the underwriters in any Underwritten Offering.

Section 1.7 Take-Down Notice. Subject to the other applicable provisions of this Agreement, at any time that any Resale Shelf Registration Statement is effective, if a Holder delivers a notice to the Company (a “**Take-Down Notice**”) stating that it intends to effect a sale or distribution of all or part of its Registrable Securities included by it on any Resale Shelf Registration Statement (a “**Shelf Offering**”) and stating the number of Registrable Securities to be included in such Shelf Offering, then, subject to the other applicable provisions of this Agreement, the Company shall, as promptly as practicable, amend or supplement the Resale Shelf Registration Statement as may be necessary in order to enable such Registrable Securities to be sold and distributed pursuant to the Shelf Offering.

ARTICLE II

COMPANY REGISTRATION

Section 2.1 Notice of Registration. If at any time or from time to time the Company shall determine to file a registration statement with respect to an offering (or to make an underwritten public offering pursuant to a previously filed registration statement) of its Common Stock, whether or not for its own account (other than a registration statement on Form S-4, Form S-8 or any successor forms), the Company will:

(a) promptly give to each Holder written notice thereof, which notice shall be given, to the extent reasonably practicable, no later than five (5) business days prior to the filing or launch date (except in the case of an offering that is an “overnight offering”, in which case such notice must be given no later than two (2) business days prior to the filing or launch date); and

(b) subject to Section 2.2, include in such registration or underwritten offering (and any related qualification under blue sky laws or other compliance) all the Registrable Securities specified in a written request or requests made within three (3) business days after receipt of such written notice from the Company by any Holder (except in the case of an offering that is an “overnight offering”, in which case such request must be made no later than one (1) business day after receipt of such written notice from the Company).

Section 2.2 Underwriting. The right of any Holder to registration pursuant to Section 1.6 or this Article II shall be conditioned upon such Holder’s participation in such underwriting and the inclusion of Registrable Securities in the underwriting to the extent provided herein. Each Holder proposing to distribute its securities through such underwriting shall (together with the Company and the other holders distributing their securities through such underwriting) enter into and perform such Holder’s obligations under an underwriting agreement with the managing underwriter selected for such underwriting by the Company or by the stockholders of the Company who have the right to select the underwriters (such underwriting agreement to be in a customary form negotiated by the Company or such stockholders, as the case may be).

Notwithstanding any other provision of this Article II, if the managing underwriter or underwriters of a proposed underwritten offering with respect to which Holders of Registrable Securities have exercised their piggyback registration rights advise the Board of Directors of the Company that in its or their opinion the number of Registrable Securities requested to be included in the offering thereby and all other securities proposed to be sold in the offering exceeds the number which can be sold in such underwritten offering in light of market conditions, the Registrable Securities and such other securities to be included in such underwritten offering shall be allocated, (a) first, in the event such offering was initiated by the Company for its own account, up to the total number of securities that the Company has requested to be included in such registration, (b) second, and only if all the securities referred to in clause (a) have been included, up to the total number of securities that the Holders have requested to be included in such offering (pro rata based upon the number of securities that each of them shall have requested to be included in such offering) and (c) third, and only if all the securities referred to in clause (b) have been included, all other securities proposed to be included in such offering that, in the opinion of the managing underwriter or underwriters can be sold without having such adverse effect. If any Holder disapproves of the terms of any such underwriting, such Holder may elect to withdraw therefrom by written notice to the Company and the managing underwriter or underwriters. Any securities excluded or withdrawn from such underwriting shall be withdrawn from such registration.

Section 2.3 Right to Terminate Registration. The Company or the holders of securities who have caused a registration statement to be filed as contemplated by this Article II, as the case may be, shall have the right to have any registration initiated by it or them under this Article II terminated or withdrawn prior to the effectiveness thereof, whether or not any Holder has elected to include securities in such registration.

ARTICLE III ADDITIONAL PROVISIONS REGARDING REGISTRATION RIGHTS

Section 3.1 Registration Procedures. In the case of each registration effected by the Company pursuant to Article I or II, the Company will keep each Holder participating in such registration reasonably informed as to the status thereof and, at its expense, the Company will, as expeditiously as possible to the extent applicable:

- (a) prepare and file, as promptly as reasonably practicable, with the Commission a registration statement with respect to such securities in accordance with the applicable provisions of this Agreement;
- (b) prepare and file, as promptly as reasonably practicable, with the Commission such amendments, including post-effective amendments, and supplements to such registration statement and the prospectus used in connection with such registration statement as may be necessary to comply with the provisions of the Securities Act with respect to the disposition of all securities covered by such registration statement (including to permit the intended method of distribution thereof) and as may be necessary to keep the registration statement continuously effective for the period set forth in this Agreement;
- (c) furnish to the Holders participating in such registration and to their legal counsel copies of the registration statement proposed to be filed, and provide such Holders and their legal counsel the reasonable opportunity to review and comment on such registration statement;

(d) furnish to the Holders participating in such registration and to the underwriters of the securities being registered such reasonable number of copies of the registration statement, preliminary prospectus and final prospectus as the such underwriters may reasonably request in order to facilitate the public offering of such securities;

(e) use commercially reasonable efforts to notify each Holder of Registrable Securities covered by such registration statement at any time when a prospectus relating thereto is required to be delivered under the Securities Act of the Company's knowledge of the happening of any event as a result of which the prospectus included in such registration statement, as then in effect, includes an untrue statement of a material fact or omits to state a material fact required to be stated therein or necessary to make the statements therein not misleading or incomplete in the light of the circumstances then existing, and, subject to Section 3.1(n), at the request of any such Holder, prepare promptly and furnish to such Holder a reasonable number of copies of a supplement to or an amendment of such prospectus as may be necessary so that, as thereafter delivered to the purchaser of such shares, such prospectus shall not include an untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein not misleading or incomplete in the light of the circumstances then existing;

(f) use commercially reasonable efforts to register and qualify the securities covered by such registration statement under such other securities or blue sky laws of such jurisdictions as shall be reasonably requested by the Holders; provided, however, that the Company shall not be required in connection therewith or as a condition thereto to qualify to do business or to file a general consent to service of process in any such states or jurisdictions in which it is not already qualified;

(g) in the event that the Registrable Securities are being offered in an underwritten public offering, enter into and perform its obligations under an underwriting agreement on customary terms and in accordance with the applicable provisions of this Agreement;

(h) use commercially reasonable efforts to furnish, (i) on the date that such Registrable Securities are delivered to the underwriters for sale, if such securities are being sold through underwriters, an opinion and negative assurance letter, dated as of such date, of the legal counsel representing the Company for the purposes of such registration, in form and substance as is customarily given to underwriters in an underwritten public offering, addressed to the underwriters, if any, and (ii) on the date that the offering of such Registrable Securities is priced and on the date that such securities are being sold through underwriters, a letter dated as of such date, from the independent certified public accountants of the Company, in form and substance as is customarily given by independent certified public accountants to underwriters in an underwritten public offering, addressed to the underwriters;

(i) in connection with a customary due diligence review, make available during business hours for inspection by the Holders, any underwriter participating in any such disposition of Registrable Securities, if any, and any counsel or accountants retained by the Holders or underwriter, all relevant financial and other records, pertinent corporate documents and properties

of the Company and its subsidiaries, and cause the officers, directors and employees of the Company and its subsidiaries to supply all relevant information and participate in customary due diligence sessions in each case reasonably requested by any such representative, underwriter, counsel or accountant in connection with such registration statement, provided, however, each such underwriter shall agree in writing to hold in strict confidence and not to make any disclosure or use of any information requested above (the “**Requested Information**”), unless (1) the disclosure of the Requested Information is necessary to avoid or correct a misstatement or omission in such registration or is otherwise required under the Securities Act, (2) the release of the Requested Information is ordered pursuant to a final, non-appealable subpoena or order from a court or government body of competent jurisdiction, (3) the Requested Information is or has been made generally available to the public other than by disclosure in violation of this Agreement, (4) the Requested Information was within such underwriter’s possession on a non-confidential basis prior to it being furnished to such underwriter by or on behalf of the Company or any of its representatives, provided that the source of such information was not bound by a confidentiality agreement or other contractual, legal or fiduciary obligation of confidentiality with respect to such information or (5) the Requested Information becomes available to such underwriter on a non-confidential basis from a source other than the Company or any of its representatives, provided that such source is not bound by a confidentiality agreement or other contractual, legal or fiduciary obligation of confidentiality with respect to such information. Such underwriter agrees that it shall, upon learning that disclosure of the Requested Information is sought in or by a court or governmental body of competent jurisdiction or through other means, give prompt notice to the Company and allow the Company, at the Company’s expense, to undertake appropriate action to prevent disclosure of, or to obtain a protective order for, the Requested Information deemed confidential;

(j) in the event that any broker-dealer underwrites any Registrable Securities or participates as a member of an underwriting syndicate or selling group or “participates in an offering” (within the meaning of the FINRA Rules) thereof, whether as a Holder or as an underwriter, placement, sales agent or broker or dealer in respect thereof, or otherwise, the Company will, upon the reasonable request of such broker-dealer, comply with any reasonable request of such broker-dealer in complying with the FINRA Rules;

(k) notwithstanding any other provision of this Agreement, if the Board of Directors of the Company has determined in good faith that the disclosure necessary for continued use of the prospectus and registration statement by the Holders could be materially detrimental to the Company, the Company shall have the right not to file or not to cause the effectiveness of any registration covering any Registrable Securities and to suspend the use of the prospectus and the registration statement covering any Registrable Security for such period of time as its use would be materially detrimental to the Company by delivering written notice of such suspension to all Holders listed on the Company’s records; provided, however, that in any 12-month period the Company may exercise the right to such suspension not more than four times. From and after the date of a notice of suspension under this Section 3.1(k), each Holder agrees not to use the prospectus or registration statement until the earlier of (i) notice from the Company that such suspension has been lifted or (ii) the day following the sixtieth (60th) day of suspension within any 12-month period;

(l) cooperate with, and direct the Company's transfer agent to cooperate with, the Holders and the managing underwriters, if any, to facilitate the timely settlement of any offering or sale of Registrable Securities, including the preparation and delivery of certificates or book-entry representing Registrable Securities to be sold together with any other authorizations, certificates, opinions and directions required by the transfer agent which authorize and direct the transfer agent to issue such Registrable Securities without restriction upon sale by the holder of such shares of Registrable Securities;

(m) use its reasonable best efforts to cause all shares of Registrable Securities to be listed on the national securities exchange on which the Common Stock is then listed; and

(n) cause its officers to use their reasonable best efforts to support the marketing of the Registrable Securities (including, without limitation, participation in "road shows" and other customary marketing activities, which may be virtual).

Section 3.2 Limitation on Subsequent Registration Rights. From and after the date hereof, the Company shall not enter into any agreement granting any holder or prospective holder of any securities of the Company registration rights with respect to such securities that conflict with the rights granted to the Holders herein, without the prior written consent of Holders of a majority of the Registrable Securities.

Section 3.3 Expenses of Registration. All Registration Expenses incurred in connection with any registration pursuant to this Agreement or otherwise in complying with this Agreement shall be borne by the Company. All Selling Expenses relating to securities registered on behalf of the Holders shall be borne by the Holders of the registered securities included in such registration.

Section 3.4 Information by Holders. The Holder or Holders of Registrable Securities included in any registration shall furnish to the Company such information regarding such Holder or Holders, the Registrable Securities held by them and the distribution proposed by such Holder or Holders as the Company may reasonably request in writing and as shall be required in connection with any registration, qualification or compliance referred to in this Agreement. It is understood and agreed that the obligations of the Company under Article I or II are conditioned on the timely provisions of the foregoing information by such Holder or Holders and, without limitation of the foregoing, will be conditioned on compliance by such Holder or Holders with the following:

(a) such Holder or Holders will cooperate with the Company in connection with the preparation of the applicable registration statement, and for so long as the Company is obligated to keep such registration statement effective, such Holder or Holders will provide to the Company, in writing and in a timely manner, for use in such registration statement (and expressly identified in writing as such), all information regarding themselves and such other information as may be required by applicable law to enable the Company to prepare such registration statement and the related prospectus covering the applicable Registrable Securities owned by such Holder or Holders and to maintain the currency and effectiveness thereof;

(b) during such time as such Holder or Holders may be engaged in a distribution of the Registrable Securities, such Holder or Holders will comply with all laws applicable to such

distribution, including Regulation M promulgated under the Exchange Act, and, to the extent required by such laws, will, among other things: (i) not engage in any stabilization activity in connection with the securities of the Company in contravention of such laws and (ii) if required by applicable law, cause to be furnished to each agent or broker-dealer to or through whom such Registrable Securities may be offered, or to the offeree if an offer is made directly by such Holder or Holders, such copies of the applicable prospectus (as amended and supplemented to such date) and documents incorporated by reference therein as may be required by such agent, broker-dealer or offeree; and

(c) on receipt of written notice from the Company of the happening of any of the events specified in Section 3.1(k), or that requires the suspension by such Holder or Holders of the distribution of any of the Registrable Securities owned by such Holder or Holders pursuant to a registered offering, then such Holders shall cease offering or distributing the Registrable Securities owned by such Holder or Holders in a registered offering until the offering and distribution of the Registrable Securities owned by such Holder or Holders may recommence in accordance with the terms hereof and applicable law.

Section 3.5 Rule 144 Reporting. With a view to making available the benefits of Rule 144 to the Holders, the Company will use commercially reasonable efforts to:

(a) file with the Commission in a timely manner all reports and other documents required of the Company under the Exchange Act; and

(b) so long as a Holder owns any Restricted Securities, furnish to the Holder forthwith upon written request a written statement by the Company as to its compliance with the reporting requirements of the Exchange Act.

Section 3.6 “Market Stand-Off” Agreement. The Holders shall not sell, transfer, make any short sale of, grant any option for the purchase of, or enter into any hedging or similar transaction with the same economic effect as a sale with respect to, any Common Stock (or other securities of the Company) held by the Holders (other than those included in the registration) for a period specified by the representatives of the managing underwriter or underwriters of Common Stock (or other securities of the Company convertible into Common Stock) not to exceed five (5) days prior and ninety (90) days following any registered public sale of securities by the Company in which such Holder participates in accordance with Article II, subject to customary exceptions (including, without limitation, to the extent that any securities of the Company are subject to a Permitted Loan (as defined in the Securities Purchase Agreement), to permit the pledge of such securities pursuant to such Permitted Loan and any foreclosure in connection with such Permitted Loan, or transfer in lieu of a foreclosure thereunder, and subsequent sales, dispositions or other transfers). Each of the Holders also shall execute and deliver any “lock-up” agreement reasonably requested by the representatives of any underwriters of the Company in connection with an offering in which such Holder participates, subject to customary exceptions (including, without limitation, as described in the preceding sentence in respect of pledges and foreclosures).

Section 3.7 Discontinuation of Registration. Notwithstanding anything to the contrary in this Agreement, the Company may discontinue any registration of its securities which are not Registrable Securities at any time prior to the effective date of the registration statement relating thereto.

ARTICLE IV
INDEMNIFICATION

Section 4.1 Indemnification by Company. To the extent permitted by applicable law, the Company will, with respect to any Registrable Securities as to which registration or qualification or compliance under applicable “blue sky” laws has been effected pursuant to this Agreement, indemnify each Holder, each Holder’s current and former officers, directors, partners, members, managers, shareholders, accountants, attorneys, agents and employees, and each Person controlling such Holder or any of the foregoing within the meaning of Section 15 of the Securities Act, and each underwriter thereof, if any, and each Person who controls any such underwriter within the meaning of Section 15 of the Securities Act (collectively, the “**Company Indemnified Parties**”), against all expenses, claims, losses, damages, costs (including costs of preparation and reasonable attorney’s fees and any legal or other fees or expenses actually incurred by such party in connection with any investigation or proceeding), judgments, fines, penalties, charges, amounts paid in settlement and other liabilities, joint or several (or actions in respect thereof) arising out of or based on any untrue statement (or alleged untrue statement) of a material fact contained in any registration statement, prospectus, preliminary prospectus, offering circular or other document, or any amendment or supplement thereto incident to any such registration, qualification or compliance or based on any omission (or alleged omission) to state therein a material fact required to be stated therein or necessary to make the statements therein, in light of the circumstances in which they were made, not misleading, or any violation by the Company of, or any rule or regulation promulgated under, the Securities Act, Exchange Act or state securities laws applicable to the Company in connection with any such registration, and the Company will reimburse each of the Company Indemnified Parties for any reasonable legal and any other expenses reasonably incurred in connection with investigating, preparing or defending any such claim, loss, damage, liability or action, as such expenses are incurred. The indemnity agreement contained in this Section 4.1 shall not apply to amounts paid in settlement of any loss, claim, damage, liability or action if such settlement is effected without the prior written consent of the Company (which consent shall not be unreasonably withheld or delayed), nor shall the Company be liable to a Holder in any such case for any such loss, claim, damage, liability or action (a) to the extent that it arises out of or is based upon a violation or alleged violation of any state or federal law (including any claim arising out of or based on any untrue statement or alleged untrue statement or omission or alleged omission in the registration statement or prospectus) which occurs in reliance upon and in conformity with written information furnished expressly for use in connection with such registration by or on behalf of any Holder or (b) in the case of a sale directly by a Holder of Registrable Securities (including a sale of such Registrable Securities through any underwriter retained by such Holder engaging in a distribution solely on behalf of such Holder), such untrue statement or alleged untrue statement or omission or alleged omission was corrected in a final or amended prospectus, and such Holder failed to deliver a copy of the final or amended prospectus at or prior to the confirmation of the sale of the Registrable Securities to the Person asserting any such loss, claim, damage or liability in any case in which such delivery is required by the Securities Act.

Section 4.2 Indemnification by Holders. To the extent permitted by applicable law, each Holder will, if Registrable Securities held by such Holder are included in the securities as to which such registration or qualification or compliance under applicable “blue sky” laws is being effected, indemnify, severally and not jointly, the Company, each of its directors, officers, partners, members, managers, shareholders, accountants, attorneys, agents and employees, each underwriter, if any, of the Company’s securities covered by such a registration, each Person who controls the Company or such underwriter within the meaning of Section 15 of the Securities Act, and each other Holder and each of such other Holder’s officers, directors, partners, members, managers, shareholders, accountants, attorneys, agents and employees and each Person controlling such Holder or any of the foregoing within the meaning of Section 15 of the Securities Act (collectively, the “**Holder Indemnified Parties**”), against all expenses, claims, losses, damages, costs (including costs of preparation and reasonable attorney’s fees and any legal or other fees or expenses actually incurred by such party in connection with any investigation or proceeding), judgments, fines, penalties, charges, amounts paid in settlement and other and liabilities (or actions in respect thereof) arising out of or based on any untrue statement (or alleged untrue statement) of a material fact contained in any registration statement, prospectus, preliminary prospectus, offering circular or other document, or any amendment or supplement thereto incident to any such registration, qualification or compliance or based on any omission (or alleged omission) to state therein a material fact required to be stated therein or necessary to make the statements therein, in light of the circumstances in which they were made, not misleading, or any violation by such Holder of, or any rule or regulation promulgated under, the Securities Act, Exchange Act or state securities law applicable to such Holder, and will reimburse each of the Holder Indemnified Parties for any reasonable legal or any other expenses reasonably incurred in connection with investigating, preparing or defending any such claim, loss, damage, liability or action, as such expenses are incurred, in each case to the extent, but only to the extent, that such untrue statement (or alleged untrue statement) or omission (or alleged omission) is made in such registration statement, prospectus, offering circular or other document in reliance upon and in conformity with written information furnished to the Company by such Holder and stated to be specifically for use therein, provided, however, that in no event shall any indemnity under this Section 4.2 payable by a Holder exceed the amount by which the net proceeds actually received by such Holder from the sale of Registrable Securities included in such registration exceeds the amount of any other losses, expenses, settlements, damages, claims and liabilities that such Holder has been required to pay by reason of such untrue or alleged untrue statement or omission or alleged omission or violation. The indemnity agreement contained in this Section 4.2 shall not apply to amounts paid in settlement of any loss, claim, damage, liability or action if such settlement is effected without the prior written consent of the applicable Holder (which consent shall not be unreasonably withheld or delayed), nor shall the Holder be liable for any such loss, claim, damage, liability or action where such untrue statement or alleged untrue statement or omission or alleged omission was corrected in a final or amended prospectus, and the Company or the underwriters failed to deliver a copy of the final or amended prospectus at or prior to the confirmation of the sale of the Registrable Securities to the Person asserting any such loss, claim, damage or liability in any case in which such delivery is required by the Securities Act

Section 4.3 Notification. Each party entitled to indemnification under this Article IV (the “**Indemnified Party**”) shall give notice to the party required to provide indemnification (the “**Indemnifying Party**”) promptly after such Indemnified Party has actual knowledge of any claim as to which indemnity may be sought, and shall permit the Indemnifying Party to assume the

defense of any such claim or any litigation resulting therefrom, provided, however, that counsel for the Indemnifying Party, who shall conduct the defense of such claim or litigation, shall be approved by the Indemnified Party (whose approval shall not unreasonably be withheld or delayed), and the Indemnified Party may participate in such defense at such party's expense; provided, further, however, that an Indemnified Party (together with all other Indemnified Parties) shall have the right to retain one (1) separate counsel, with the reasonable fees and expenses to be paid by the Indemnifying Party, if representation of such Indemnified Party by the counsel retained by the Indemnifying Party would be inappropriate due to conflicting interests between such Indemnified Party and any other party represented by such counsel in such proceeding. The failure of any Indemnified Party to give notice as provided herein shall relieve the Indemnifying Party of its obligations under this Article IV, only to the extent that, the failure to give such notice is materially prejudicial or harmful to an Indemnifying Party's ability to defend such action. No Indemnifying Party, in the defense of any such claim or litigation, shall, except with the prior written consent of each Indemnified Party (which consent shall not be unreasonably withheld or delayed), consent to entry of any judgment or enter into any settlement which does not include as an unconditional term thereof the giving by the claimant or plaintiff to such Indemnified Party of a release from all liability in respect to such claim or litigation. The indemnity agreements contained in this Article IV shall not apply to amounts paid in settlement of any loss, claim, damage, liability or action if such settlement is effected without the prior written consent of the Indemnifying Party, which consent shall not be unreasonably withheld or delayed. The indemnification set forth in this Article IV shall be in addition to any other indemnification rights or agreements that an Indemnified Party may have.

Section 4.4 Contribution. If the indemnification provided for in this Article IV is held by a court of competent jurisdiction to be unavailable to an Indemnified Party, other than pursuant to its terms, with respect to any claim, loss, damage, liability or action referred to therein, then, subject to the limitations contained in Article IV, the Indemnifying Party, in lieu of indemnifying such Indemnified Party hereunder, shall contribute to the amount paid or payable by such Indemnified Party as a result of such claim, loss, damage, liability or action in such proportion as is appropriate to reflect the relative fault of the Indemnifying Party on the one hand and the Indemnified Party on the other in connection with the actions that resulted in such claims, loss, damage, liability or action, as well as any other relevant equitable considerations. The relative fault of the Indemnifying Party and of the Indemnified Party shall be determined by reference to, among other things, whether the untrue or alleged untrue statement of a material fact or the omission to state a material fact related to information supplied by the Indemnifying Party or by the Indemnified Party and the parties' relative intent, knowledge, access to information and opportunity to correct or prevent such statement or omission. The Company and the Holders agree that it would not be just and equitable if contribution pursuant to this Section 4.4 were based solely upon the number of entities from whom contribution was requested or by any other method of allocation which does not take account of the equitable considerations referred to above in this Section 4.4. In no event shall any Holder's contribution obligation under this Section 4.4 exceed the amount by which the net proceeds actually received by such Holder from the sale of Registrable Securities included in such registration exceeds the amount of any other losses, expenses, settlements, damages, claims and liabilities that such Holder has been required to pay by reason of such untrue or alleged untrue statement or omission or alleged omission or violation. No Person guilty of fraudulent misrepresentation (within the meaning of the Securities Act) shall be entitled to contribution from any Person who was not guilty of such fraudulent misrepresentation.

ARTICLE V
TRANSFER AND TERMINATION OF REGISTRATION RIGHTS

Section 5.1 Transfer of Registration Rights. The rights to cause the Company to register securities granted to a Holder under this Agreement may be assigned to any Person in connection with any Transfer (as defined in the Securities Purchase Agreement) or assignment of Registrable Securities to in a Transfer permitted by Section 4.2 of the Securities Purchase Agreement; provided, however, that (a) such transfer may otherwise be effected in accordance with applicable securities laws, (b) prior written notice of such assignment is given to the Company, and (c) such transferee agrees in writing to be bound by, and subject to, this Agreement as a “Holder” pursuant to a written instrument in form and substance reasonably acceptable to the Company.

Section 5.2 Termination of Registration Rights. The rights of any particular Holder to cause the Company to register securities under Article I and Article II shall terminate with respect to such Holder upon the date upon which such Holder no longer holds any Registrable Securities.

ARTICLE VI
MISCELLANEOUS

Section 6.1 Counterparts. This Agreement may be executed in one or more counterparts, all of which shall be considered one and the same agreement, and will become effective when one or more counterparts have been signed by a party and delivered to the other parties. Copies of executed counterparts transmitted by telecopy, telefax or other electronic transmission service shall be considered original executed counterparts for purposes of this Section 6.1, provided that receipt of copies of such counterparts is confirmed.

Section 6.2 Governing Law.

(a) This Agreement shall be governed by, and construed in accordance with, the laws of the State of Delaware, without giving effect to any choice of law or conflict of law rules or provisions (whether of the State of Delaware or any other jurisdiction) that would cause the application of the laws of any jurisdiction other than the State of Delaware.

(b) Any dispute relating hereto shall be heard in the Court of Chancery of the State of Delaware and, if applicable, in any state or federal court located in the State of Delaware in which appeal from the Court of Chancery of the State of Delaware may validly be taken under the laws of the State of Delaware (or, if the Court of Chancery of the State of Delaware declines to accept jurisdiction over such dispute, any state or federal court within the State of Delaware) (each a “**Chosen Court**” and collectively, the “**Chosen Courts**”), and the parties agree to the exclusive jurisdiction and venue of the Chosen Courts. Such Persons further agree that any proceeding seeking to enforce any provision of, or based on any matter arising out of or in connection with, this Agreement or the transactions contemplated hereby or by any matters related to the foregoing (the “**Applicable Matters**”) shall be brought exclusively in a Chosen Court, and that any proceeding arising out of this Agreement or any other Applicable Matter shall be deemed to have arisen from a transaction of business in the State of Delaware, and each of the foregoing Persons hereby irrevocably consents to the jurisdiction of such Chosen Courts in any such proceeding and irrevocably and unconditionally waives, to the fullest extent permitted

by law, any objection that such Person may now or hereafter have to the laying of the venue of any such suit, action or proceeding in any such Chosen Court or that any such proceeding brought in any such Chosen Court has been brought in an inconvenient forum.

(c) Such Persons further covenant not to bring a proceeding with respect to the Applicable Matters (or that could affect any Applicable Matter) other than in such Chosen Court and not to challenge or enforce in another jurisdiction a judgment of such Chosen Court.

(d) Process in any such proceeding may be served on any Person with respect to such Applicable Matters anywhere in the world, whether within or without the jurisdiction of any such Chosen Court. Without limiting the foregoing, each such Person agrees that service of process on such party as provided in Section 6.5 shall be deemed effective service of process on such Person.

(e) Waiver of Jury Trial. EACH PARTY HERETO, FOR ITSELF AND ITS AFFILIATES, HEREBY IRREVOCABLY AND UNCONDITIONALLY WAIVES TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW ALL RIGHT TO TRIAL BY JURY IN ANY ACTION, SUIT OR OTHER PROCEEDING (WHETHER BASED ON CONTRACT, TORT OR OTHERWISE) ARISING OUT OF OR RELATING TO THE ACTIONS OF THE PARTIES HERETO OR THEIR RESPECTIVE AFFILIATES PURSUANT TO THIS AGREEMENT OR IN THE NEGOTIATION, ADMINISTRATION, PERFORMANCE OR ENFORCEMENT HEREOF.

Section 6.3 Entire Agreement; No Third Party Beneficiary. This Agreement and the Securities Purchase Agreement and the Letter Agreement between the Company and the Investors contain the entire agreement by and among the parties with respect to the subject matter hereof and all prior negotiations, writings and understandings relating to the subject matter of this Agreement. Except as provided in Article IV, this Agreement is not intended to confer upon any Person not a party hereto (or their successors and permitted assigns) any rights or remedies hereunder.

Section 6.4 Expenses. Except as provided in Section 3.3, all fees, costs and expenses incurred in connection with this Agreement and the transactions contemplated hereby, including accounting and legal fees shall be paid by the party incurring such expenses. The fees specified in clause (b) of the definition of "Registration Expenses" incurred in connection with any Shelf Registration or Underwritten Offering pursuant to this Agreement shall, in each case, not exceed \$50,000.

Section 6.5 Notices. All notices, requests, demands and other communications under this Agreement shall be in writing and shall be deemed to have been duly given or made as follows: (a) if sent by registered or certified mail in the United States return receipt requested, upon receipt; (b) if sent by nationally recognized overnight air courier, one (1) business day after mailing; (c) if sent by e-mail transmission, with a copy sent on the same day in the manner provided in the foregoing clause (a) or (b), when transmitted and receipt is confirmed; and (d) if otherwise actually personally delivered, when delivered, provided, that such notices, requests, demands and other communications are delivered to the address set forth below, or to such other address as any party shall provide by like notice to the other parties to this Agreement:

Any party hereto may, only by an instrument in writing, waive compliance by any other party or parties hereto with any term or provision hereof on the part of such other party or parties hereto to be performed or complied with. (b) With regard to each and every term and condition of this Agreement, the parties hereto understand and agree that the same have or has been mutually negotiated, prepared and drafted, and if at any time the parties hereto desire or are required to interpret or construe any such term or condition, no consideration will be given to the issue of which party hereto actually prepared, drafted or requested any term or condition of this Agreement.

Section 6.10 Severability. Any provision hereof that is held to be invalid, illegal or unenforceable in any respect by a court of competent jurisdiction, shall be ineffective only to the extent of such invalidity, illegality or unenforceability, without affecting in any way the remaining provisions hereof, provided, however, that the parties will attempt in good faith to reform this Agreement in a manner consistent with the intent of any such ineffective provision for the purpose of carrying out such intent.

Dear Art,

On behalf of the Board of Directors (the "Board") of FireEye, Inc. (the "Company"), we are pleased to inform you that our Nominating and Corporate Governance Committee has nominated you for election as a member of our Board and a special committee of the Board of Directors to be formed (the "Special Committee"). This offer is subject to final approval by our Board and election as a member of our Board and Special Committee.

As you are aware, the Company is a Delaware corporation and therefore your rights and duties as a Board member are prescribed by Delaware law and our charter documents, as well as by the policies established by our Board from time to time and the rules and regulations of the U.S. Securities and Exchange Commission and The NASDAQ Stock Market. As you are also aware, upon your formal appointment to the Board, you will become a Section 16 reporting person of the Company. You may also be requested to serve as a director of one or more of our subsidiaries in which case you may be subject to other laws while serving in such a capacity. In addition, please note that, as a director, you will be subject to the corporate policies of the Company, including but not limited to the Company's Code of Business Conduct and Ethics Policy, External Communications (Regulation FD) Policy, Anti-Corruption Policy, Insider Trading Policy and Stock Ownership Guidelines.

As a non-employee member of our Board, you will be asked to serve on one or more committees of our Board. We expect that you will be appointed by our Board to serve on the Special Committee and possibly additional committees. In addition to committee meetings, which shall be convened as needed, our Board meetings are generally held quarterly at the Company's offices in Milpitas, California. We would hope that your schedule would permit you to attend all of the meetings of the Board and any committees of which you are a member. In addition, from time to time, there may be telephonic meetings to address special matters.

It is expected that during the term of your Board membership with the Company you will not engage in any other employment, occupation, consulting or other business activity that competes with the business in which the Company is now involved in or becomes involved in during the term of your service to the Company, nor will you engage in any other activities that conflict with your obligations to the Company.

If you decide to join the Board and to serve on the Special Committee, then at the time of your election as a member of the Board, you will be granted an award of restricted stock units ("RSUs") with a total value of \$400,000 (the "Initial Award") (with the number of shares subject thereto determined based on that total value, but rounded down to the nearest whole share), pursuant to the Company's Outside Director Compensation Policy (the "Outside Director Compensation Policy"). The Initial Award will be subject to the terms and conditions of our 2013 Equity Incentive Plan (the "Plan") and our standard form of RSU agreement thereunder. Subject to the Outside Director Compensation Policy and the Plan, the Initial Award will vest as to one-third (1/3rd) of the RSUs subject to the Initial Award on each anniversary of the date of grant, in each case subject to you continuing to serve as a Board member through the applicable vesting date. Furthermore, after becoming a member of the Board, you will be entitled to receive additional annual equity awards in accordance with the terms and conditions of the Outside Director Compensation Policy.

In accordance with the terms of the Outside Director Compensation Policy and the Plan, in connection with a Change in Control (as defined in the Plan), all RSUs subject to the Initial Award granted in accordance with the foregoing provisions shall vest in full if the successor corporation does not assume or substitute for the Initial Award or your status as a director of the Company or the successor corporation, as applicable, is terminated other than upon a voluntary resignation by you (unless such resignation is at the request of the acquirer).

In addition, please note that unless otherwise approved by our Board or required under applicable law, directors of our subsidiaries shall not be entitled to any compensation.

You shall be entitled to reimbursement for reasonable expenses incurred by you in connection with your service to the Company and attendance of Board and committee meetings in accordance with the Company's established policies.

Please note that nothing in this letter or any agreement granting you equity awards should be construed to interfere with or otherwise restrict in any way the rights of the Company, its Board or stockholders from removing you from the Board or any committee in accordance with the provisions of applicable law. Furthermore, except as otherwise provided to other non-employee Board members or required by law, the Company does not intend to afford you any rights as an employee, including without limitation, the right to further employment or any other benefits.
